The USA Today Bestseller An extraordinary novel of hope and heartbreak, this is a story about a family separated by the Holocaust and their harrowing journey back to each other.

L.A. Candy North Star Editions, Inc.

An NYRB Classics Original The trouble begins in Venice, the first stop on Erzsí and Mihály's honeymoon tour of Italy. Here Erzsí discovers that her new husband prefers wandering back alleys on his own to her company. The trouble picks up in Ravenna, where a hostile man zooms up on a motorcycle as the couple are sitting at an outdoor café. It's János, someone Mihály

hasn't seen for years, and he wants Mihály to come with him in search of Ervin, their childhood friend. The trouble comes to a head when Mihály misses the train he and Erzsí are due to take to Rome. Off he goes across Italy, wandering from city to city, haunted and accosted by a strange array of figures from the troubled youth that he thought he had left behind: There are the charismatic siblings, Éva and Tamás, whose bizarre amateur theatricals linked sex and death forever in his mind; Ervin, a Jew turned Catholic monk who was his rival for Éva's love; and again, that ruffian on the motorcycle. Antal Szerb's dreamlike adventure, like Bulgakov's *The Master and Margarita*, is an intoxicating, utterly individual mix of magic, madness, eros, and menace. In the words of the critic Nicholas Lezard, "No one who has read it has failed to love it."

The once cancer-stricken mother lives in the basement, the father is married to the mother's former nurse, the little half-brother isn't allowed to do or eat anything fun,

and the eldest siblings are irritatingly perfect. Then, there's Merit. Merit Voss collects trophies she hasn't earned and secrets her family forces her to keep. While browsing the local antiques shop for her next trophy, she finds Sagan. His wit and unapologetic idealism disarm and spark renewed life into her—until she discovers that he's completely unavailable. Merit retreats deeper into herself, watching her family from the sidelines, when she learns a secret that no trophy in the world can fix. Fed up with the lies, Merit decides to shatter the happy family illusion that she's never been a part of before leaving them behind for good. When her escape plan fails, Merit is forced to deal with the staggering consequences of telling the truth and losing the one boy she loves. Poignant and powerful, *Without Merit* explores the layers of lies that tie a family together and the power of love and truth.

A pszichológus szeme körül apró ráncok jelentek meg, és bólintott. – ? a válasz a kérdésedre – mondta Ricsinek. – Gyógyítható? – kérdezte Dave nevetve. – Szerintem nem – nevetett fel a doki is.
