The Church of Fear Citadel
Press

Albert Einstein said: We are using only 10% of our mental potential. Dianetics tells you how you can free a significantly larger part of your potential. Self confidence, harmonic relationships and a positive attitude towards life can

absolutely be achieved. It makes Positive Thinking a reality. You can achieve your goals with more certainty if you are able to find the cause of upsets, unwanted reactions or emotions. The human mind is not a mysterious puzzle - impossible to resolve. Read and work with Dianetics, see how it works for you and make up your own mind. The book gives a clear description of what is happening in the mind and explains a practical method, enabling you to explore your own subconscious, and rid

yourself of what holds you down, resulting in increased IQ and well-being. Watching the DVD called 'How to Use Dianetics' along with the book is recommended to have a visual illustration of the concepts and the practical application.

A Severe Mercy Zondervan

In a land of legends and mighty warriors, one fatal gunshot changes the course of a nation. Torn between two races, a white man raised by Blackfoot Indians is propelled across the vast, unexplored Northwest wilderness of the early 1800s in this historically accurate adventure of a desperate mission to defend his adopted people from

invasion by ruthless white fur traders.

Let's Sell These People a Piece of Blue Sky New York Review of Books

"L. Ron Hubbard, Messiah or Madman? exposes as never before the dark side of Scientology, yet contains an in-depth examination of the potential positives of the subject and their actual origins."--Dust jacket.

Typewriter in the Sky Vintage

A wealthy lawyer, debonair ladies' man, consummate actor, and courageous gambler, Dusko Popov played the role of playboy amongst the top echelons of British society to become one of Germany's most trusted spies. In fact, he was one of Britain's most successful double agents, and, some say, the inspiration for James Bond. With full access to FBI and MI5 records, along with private family papers, his incredible adventures can now be told authoritatively for the first time. Recruited by the Abwehr in 1940, 27-year-old Popov immediately offered his services to the British. His code-name was Tricycle. Throughout the war he fed the Germans with a constant stream of military 'intelligence', all vetted by MI5, and came to be viewed as their most important and reliable agent in Britain. But when he was ordered by the Abwehr to the United States to report on the defences at Pearl Harbor, J. Edgar Hoover, Director of the FBI, failed to heed his warnings, distrusting all spies and detesting Popov in

particular, whom he considered to be 'a moral degenerate'. Facing the danger of exposure, arrest and execution on a daily basis, Tricycle went on to build up a network known as the Yugoslav Ring, which not only delivered a stream of false information to Berlin but also supplied vital intelligence to the Allies on German rocketry, strategy and security. After the war Dusko Popov was granted British citizenship and awarded an OBE. The presentation was made, appropriately, in the cocktail bar at the Ritz.

Ron The War Hero

ReadHowYouWant.com

Attack exposes Hubbard's bizarre imagination and behavior, tracing the creation of Scientology in the years following World War II to perhaps its final schism following Hubbard's death in 1986. A shocking book that reveals all: the abuses, falsehoods, paranoia, and greed of Hubbard and his pseudo-military Scientologist henchmen.

A Stranger in the House of God Michael Joseph

This is the new, unexpurgated, unabridged version of the classic history of L. Ron Hubbard and Scientology. Exposing Hubbard's false claims to be a war hero, a nuclear physicist, an explorer and a protege of Eastern gurus, and showing the true

malevolence of Scientology. Invaluable for its history and insight into the character of its founder, L. Ron Hubbard. This is the standard reference among serious students of authoritarian belief systems.

Going Clear Severn House Paperbacks Handel's oratorio Messiah is a phenomenon with no parallel in music history. No other work of music has been so popular for so long. Yet familiarity can sometimes breed contempt and also misunderstanding. This book by music expert Calvin Stapert will greatly increase understanding and appreciation of Handel's majestic Messiah, whether readers are old friends of this remarkable work or have only just discovered its magnificence. Stapert provides fascinating historical background, tracing not only Messiah's unlikely inception but also its amazing reception throughout history. The bulk of the book offers scene-by-scene musical and theological commentary on the whole work, focusing on the way Handel's music beautifully interprets and illuminates the biblical text.

I Love Jesus, But I Want to Die Crossway

A page-turning novel that is also an exploration of the great philosophical

concepts of Western thought, Jostein Gaarder's *Sophie's World* has fired the imagination of readers all over the world, with more than twenty million copies in print. One day fourteen-year-old Sophie Amundsen comes home from school to find in her mailbox two notes, with one question on each: "Who are you?" and "Where does the world come from?" From that irresistible beginning, Sophie becomes obsessed with questions that take her far beyond what she knows of her Norwegian village. Through those letters, she enrolls in a kind of correspondence course, covering Socrates to Sartre, with a mysterious philosopher, while receiving letters addressed to another girl. Who is Hilde? And why does her mail keep turning up? To unravel this riddle, Sophie must use the philosophy she is learning—but the truth turns out to be far more complicated than she could have imagined.

The True Jesus Christ iUniverse
Modern man Mike de Wolf gets stranded in a pirate adventure being written by his friend Horace Hackett and finds himself fighting

for his life as the villainous Miguel de Lobo, while trying to figure out how to extricate himself from Horace's fatal plot.

The New Apocrypha Harper Collins
Bare-Faced Messiah tells the extraordinary story of L. Ron Hubbard, a penniless science-fiction writer who founded the Church of Scientology, became a millionaire prophet and convinced his adoring followers that he alone could save the world. According to his 'official' biography, Hubbard was an explorer, engineer, scientist, war hero and philosopher. But in the words of a Californian judge, he was schizophrenic, paranoid and a pathological liar. What is not in dispute is that Hubbard was one of the most bizarre characters of the twentieth century. Bare-Faced Messiah exposes the myths surrounding the fascinating and mysterious founder of the Church of Scientology - a man of hypnotic charm and limitless imagination - and provides the definitive account of how the notorious organisation was created.

Fair Game Litres

An elderly lady once left 20,000 dollar and 'my Bible and all it contains' to her nephew. The young man knew what the Bible contained so he didn't bother to open it. He merely picked it up and put it on a high shelf in his house, and headed for Las Vegas. It wasn't long until all his money was gone. He lived the next 60 years as a pauper, scraping for every meal and barely having the clothes on his back. As he was moving to a convalescent home he reached up to grab that old Bible and accidentally dropped it from his trembling hands. It fell to the floor and opened, revealing a 100 dollar bill between every page. That man lived his life as a pauper when he could have lived in luxury, simply because of his prejudice. He thought he knew what the Bible contained. Most people don't know that the Bible contains a wealth of incredible scientific, medical and prophetic facts. The implications are mind boggling...
Handbook for Preclears HarperCollins
To his followers, L Ron Hubbard was a war hero and spiritual leader who served his country with distinction in World War II, suffering terrible injuries in the line of duty before miraculously healing himself with his revolutionary mental techniques - Dianetics and Scientology. RON THE

WAR HERO examines the truth behind the legend and asks some awkward questions. What if there were no injuries? What if Hubbard was not, in fact, a war hero at all? What if his time in the military was marked not by bravery but by incompetence? By hubris rather than heroism? As Scientology's own spokesman has admitted, it would mean that Scientology is based on a lie. It would mean that Hubbard's supposed recovery never happened and that his claims about the foundations of Scientology are fraudulent. Drawing on previously unpublished documents and US government records, **RON THE WAR HERO** is a forensic and devastating portrait of the deceit at the heart of Scientology - a lie that has ruined so many lives, and persists to this day.

The True Authorship of the New Testament Penguin

Now a #1 New York Times bestseller
"Compulsively readable..." —LA Weekly
"Excoriating memoir" —Publisher's Weekly
"A sad and painful but bravely told story." —Kirkus Reviews
The only book to examine the origins of Scientology's current leader, **RUTHLESS**

tells the revealing story of David Miscavige's childhood and his path to the head seat of the Church of Scientology told through the eyes of his father. Ron Miscavige's personal, heartfelt story is a riveting insider's look at life within the world of Scientology. Not for sale outside the U.S.

Bare-faced Messiah Farrar, Straus and Giroux

Messiah: My Testimony to Rev. Sun Myung Moon is an autobiographical account of Dr. Bo Hi Pak's forty-year association with the founder of the Unification Movement. Dr. Pak is a former South Korean diplomat who is the principal assistant and translator to Rev. Moon. This personal testimony thoughtfully describes the motivations, behind-the-scenes activities, and inner workings of the Unification Movement. Volume II covers the years 1978-2002. *The Scars That Have Shaped Me* Bridge Publications, Incorporated
NATIONAL BESTSELLER • NATIONAL BOOK AWARD AND NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST •
From the Pulitzer Prize-winning author of *The Looming Tower* comes "an utterly necessary story" (*The Wall Street Journal*) that pulls back the curtain on the church of Scientology: one of the most secretive organizations at work today. •

The Basis for the HBO Documentary. Scientology presents itself as a scientific approach to spiritual enlightenment, but its practices have long been shrouded in mystery. Now Lawrence Wright—armed with his investigative talents, years of archival research, and more than two hundred personal interviews with current and former Scientologists—uncovers the inner workings of the church. We meet founder L. Ron Hubbard, the highly imaginative but mentally troubled science-fiction writer, and his tough, driven successor, David Miscavige. We go inside their specialized cosmology and language. We learn about the church's legal attacks on the IRS, its vindictive treatment of critics, and its phenomenal wealth. We see the church court celebrities such as Tom Cruise while consigning its clergy to hard labor under billion-year contracts. Through it all, Wright asks what fundamentally comprises a religion, and if Scientology in fact merits this Constitutionally-protected label. *The 48 Laws of Power* (Special Power Edition) St. Martin's Griffin
"The most complete picture of Scientology so far." —Garry Wills, *New York Times Book Review* Based on five years of research, access to confidential documents, and extensive interviews with current and former Scientologists, Janet

Reitman sheds some long-awaited light on the ever-elusive religion of the Church of Scientology. Scientology, created in 1954 by pulp science fiction writer L. Ron Hubbard, claims to be the world's fastest growing religion, with millions of members and huge financial holdings. Celebrity believers keep its profile high. But Scientology is also a very closed faith, harassing journalists and others through litigation and intimidation. Its attacks on psychiatry and its requirement that believers pay as much as tens or even hundreds of thousands of dollars for salvation have drawn scrutiny. Ex-members use the internet to share stories of harassment and abuse. Reitman offers the first full journalistic history of the Church of Scientology in an account that establishes the truth about the controversial religion. She traces Scientology's development from the birth of Dianetics to today, following its metamorphosis from a pseudoscientific self-help group to a global spiritual corporation with profound control over its followers and ex-followers. This is a defining book about a little-known world. " [A] searing expose. " —People Magazine " A masterful piece of reporting. " —Washington Post " This book is fearless. " —Wall Street Journal " [A] frightening portrait of a religion that many find not

just controversial, but dangerous. " —Boston Globe " [Reitman's] revelations including abuse allegations against church leader David Miscavige and details about the organization's aggressive courtship of Tom Cruise — come with impressive backup. " —Entertainment Weekly Ruthless BFG Books Inc. A compassionate, shame-free guide for your darkest days " A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized. " —Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to " choose joy " and " pray more. " So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned

you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect. True Christianity Galaxy Press LLC Beloved, profoundly moving account of the author's marriage, the couple's search for faith and friendship with C.

S. Lewis, and a spiritual strength that sustained Vanauken after his wife's untimely death.

A Death on Diamond Mountain
WaterBrook

An illustrated biography of the ornithologist James Bond, the author of the book *Birds of the West Indies* and the namesake of Ian Fleming's fictional British spy.

Love's Work Mesorah Publications
Limited

Love ' s Work is at once a memoir and a work of philosophy. Written by the English philosopher Gillian Rose as she was dying of cancer, it is a book about both the fallibility and the endurance of love, love that becomes real and lasting through an ongoing reckoning with its own limitations. Rose looks back on her childhood, the complications of her parents ' divorce and her dyslexia, and her deep and divided feelings about what it means to be Jewish. She tells the stories of several friends also laboring under the sentence of death. From the sometimes conflicting vantage points of her own and her friends ' tales, she seeks to work out (seeks, because the

work can never be complete—to be alive means to be incomplete) a distinctive outlook on life, one that will do justice to our yearning both for autonomy and for connection to others. With droll self-knowledge (“ I am highly qualified in unhappy love affairs, ” Rose writes, “ My earliest unhappy love affair was with Roy Rogers ”) and with unsettling wisdom (“ To live, to love, is to be failed ”), Rose has written a beautiful, tender, tough, and intricately wrought survival kit packed with necessary but unanswerable questions.
