Monsters are roaming the streets of London. Tom Holt - Wikipedia Holt is a little less subtle in the jokes but not much. Barking is a nice change from the setting of J W Wells, but the overall plot isn't that different. Innocent naif winds up in the middle of the supernatural running as more-or-less normal business in London.

Barking is a solid book by author Tom Holt. I would recommend reading either this book or "Falling Sideways" to introduce a new reader to Holt's work. A madcap tale involving werewolves, vampires, zombies, and (gasp!) lawyers, this book is filled

with gags and does not disappoint.

Barking book by Tom Holt - ThriftBooks

Tom Holt's Barking sounded as if it could be the kind of concept I would enjoy. Duncan Hughes is a nondescript little man, working for a company of lawyers in London, although not terribly hard. He struggles through the working day and goes home at night to a lonely house with no obvious friends or hobbies.

Barking by Tom Holt starts off a bit dull unless you are terribly fond of puns or your ideal protagonist is a hopeless twit who became a tax lawyer and found his work

really boring. Once you review and I will link
give serious consideration to Holt's idea, however, that the practice of law is really better suited to werewolves and vampires than humans, things pick up rather nicely.
