Barron's AP Computer Science A with CD-ROM Barrons Educational Series

The new fourth edition of Barron ' s Advanced Placement Computer Science test preparation manual has been updated with a new case study. This new GridWorld Case Study will be tested on the AP exam starting in May 2008. The manual presents four full-length AP practice exams, two

each for Levels A and AB. Two of these exams are presented as diagnostic tests, with charts detailing the topics for each question. All four model tests have questions answered and explained. Prospective test takers will also find an extensive subject review, starting with a review of Java 5.0 and going on to cover all topics questioned in both the Level A and Level AB exams. There are new sections on storage of numbers and random numbers.

Barron's AP Chemistry Barrons Educational Series

One Diagnostic and five full-length Advanced Placement Practice Exams are presented in the manual with all questions answered and explained. Equally valuable to prospective test takers is the author's 15-chapter topic review, covering virtually everything they will encounter on the actual exam. Topics for review are divided into four general

themes: Exploratory Analysis, Planning a Study, Probability, and Statistical Inference. Additional multiple-choice and free-response questions with answers are presented at the end of all 15 chapters. Detailed appendices include exam-taking advice, an AP scoring guide, a guide to basic uses of TI-83/TI-84 calculators, and more. An enclosed CD-ROM containing two additional full-length practice exams gives students a total of eight practice exams. The exams on the CD-ROM come with answers, full explanations, and automatic scoring of the multiple-choice questions. The free-response questions in all exams have been replaced in this new edition in order to bring practice tests completely up to date and accurately reflect the latest AP Statistics exams. Test takers who purchase the combination book-and-CD-ROM package will also get a second CD-ROM containing Texas Instruments' TI-Nspire calculator trial software.

AP US History Premium Simon and Schuster
