Barron Ap World History 5th
I took the 2008 AP World History exam. To prepare for the test, I read Kaplan's,

Barron's, and Princeton Review's AP World History test prep books. Of the three, Barron's has the longest history review. Pretty much the entire book is history review. The review is really detailed, and actually seems more of a textbook than a test prep book. *The 3 Best AP World History Review Books - AP Review Book AP Test Preparation Online - FREE* from Barron's with book purchase.
