[Math Workbook for the SAT I](#) Barrons Educational Series

The old Sequential Math exams are gradually being phased out of the New York State Regents curriculum. A brand new and more rigorous exam, Regents Math A, is already being offered as replacement for all of the former Sequential Math I and the first half of Sequential Math II exams, and soon will replace them entirely.

Barron's brand new Regents Exams and Answers book for this subject covers all topics on the new Math A exam. It also presents all seven of the actual New York State Regents Math A exams that have been issued to date. All exams appear in this book with answers to all questions. These ever popular guides include study tips, test-taking strategies, score analysis charts, and other valuable features.

They are an ideal source of practice and test preparation. The detailed answer explanations make each exam a practical learning experience.
