UNSD — Business Statistics

Small Business Statistics What is a small
business? The Small Business
Administration ' s Office of Advocacy
defines a small business for research
purposes as “ an independent business
having fewer than 500
employees. ” Additionally, SBA has
established size standards that define
whether a business entity is small and, thus,

eligible for government programs and preferences reserved for ...

Basic Business Statistics helps students see the essential role that statistics will play in their future careers by using examples drawn from all functional areas of real-world business. Guided by principles set forth by ASA's Guidelines for Assessment and Instruction (GAISE) reports and the authors' diverse teaching experiences, the text continues to innovate and improve the way this course is taught to students.
