Introduction to International Business. With the globalization of the world economy, there has been a concomitant rise in the number of companies that operate globally. Though international business as a concept has been around since the time of the East India Company and continued into the early decades of the 20th century, there was a lull in the international expansion of companies because of the Two World Wars.

Basic Guide To International Business Law

You might not consider your business to be trading internationally, when in fact you are. In reality, you're engaging in international trade if you: Sell anything to a foreign customer; Provide a service in another country; Employ somebody who resides in another country. Deciding whether to trade overseas is a big decision for any small business. There's a lot to consider, from who to trade with to the practical steps you'll need to take to trade successfully.
