**Basic Guide To International Business**

Introduction to International Business. With the

globalization of the world economy, there has been a

concomitant rise in the number of companies that operate

globally. Though international business as a concept has

been around since the time of the East India Company and

continued into the early decades of the 20th century,

there was a lull in the international expansion of

companies because of the Two World Wars.

## Four Basic International Business Activities | Your Business

Four Basic International Business Activities. International business refers to any business activities that cross national boundaries. These activities can be categorized into four basic types:...

Basic Concept of International Business

You might not consider your business to be trading internationally, when in fact you are. In reality, you 're engaging in international trade if you: Sell anything to a foreign customer; Provide a service in another country; Employ somebody who resides in another country. Deciding whether to trade overseas is a big decision for any small business. There 's a lot to consider, from who to trade with to the practical steps you 'll need to take to trade successfully.
