You can write a book-anyone can. But if you want to write a book that people will want or even need to read, it's not as simple as sitting down to write. In fact, that's one of the biggest mistakes unsuccessful authors make. Writing a book can be one of the smartest moves for your business success. But you need more than writing skills to create an impressive book that readers will love. You also need a plan to market, sell, and leverage your book into a new level of leadership within your industry to reach your professional goals. In *Self-Publish & Succeed*, trusted best-selling author and entrepreneur Julie Broad shows you that writing a successful nonfiction book starts long before you write your first chapter. To write a book that boosts your brand, generates a profit, and makes you an influencer in your industry, you need the #noboringbooks way. You're about to discover: -The reason why you're not finishing your book-and how to overcome it. -Why most books are boring, and how to keep yours from being one of them. -Which editors you need to perfect your story and where to find them. -The one simple page that could generate thousands of sales. -Seven places to sell your book (and only one starts with "A!"). Nonfiction doesn't mean no fun. Write a money-making book that delivers meaningful impact. *Self-Publish & Succeed* is your step-by-step guide to writing, publishing, and marketing a book that will get attention, explode your career, and change people's lives-including yours.

"In #Sober not Boring April shares the techniques she used to stop drinking alcohol and more importantly, the strategies she still uses to ensure she never goes back."--Page 4 of cover.

[U. S. History BASIC/Not Boring 6-8+](#) Chronicle Books

Mrs Dalloway, Virginia Woolf's fourth novel, offers the reader an impression of a single June day in London in 1923. Clarissa Dalloway, the wife of a Conservative member of parliament, is preparing to give an evening party, while the shell-shocked Septimus Warren Smith hears the birds in Regent's Park chattering in Greek. There seems to be nothing, except perhaps London, to link Clarissa and Septimus. She is middle-aged and prosperous, with a sheltered happy life behind her; Smith is young, poor, and driven to hatred of himself and the whole human race. Yet both share a terror of existence, and sense the pull of death. The world of Mrs Dalloway is evoked in Woolf's famous stream of consciousness style, in a lyrical and haunting language which has made this, from its publication in 1925, one of her most popular novels.

Quirky charm infuses this tale of Old Rock's life story, which is much more exciting than

you'd expect. Old Rock has been sitting in the same spot in the pine forest for as long as anyone can remember. Spotted Beetle, Tall Pine, and Hummingbird think just sitting there must be boring, but they are in for a wonderful surprise. Fabulous tales of adventurous travel, exotic scenery, entertaining neighbors, and more from Old Rock's life prove it has been anything but boring. Great storytellers come in all shapes, sizes, and ages, and Old Rock's stories are sure to inspire questions that lead to wonderful conversations about the past and the natural world.

A New York Times Best Illustrated Book of 2019 Kirkus Reviews Best Book of the

Year The Boring Book is a humorous picture book that follows the story of one particularly bored boy. As the story progresses, our protagonist discovers there's actually more to boredom than what meets the eye—more questions, more theories, and heaps of humor. This exploration of boredom from acclaimed author-illustrator Shinsuke Yoshitake playfully—and hilariously—unpacks the ways in which a seemingly stagnant state is actually a portal into a dynamic, life-enriching experience. • Embraces the topic of boredom—an ever-so-popular kid complaint—and runs with it • The unique comic format, fast pace, smart humor, and narrative approach makes it ideal for reluctant readers • A universally hilarious book that will amuse children ages 5 to 8, as well as adults In addition to banishing boredom, Yoshitake's distinctive illustrations promote visual literacy and show young readers what the process of creative thinking looks like. This smart, laugh-out-loud picture book just might change your child's perspective on the state of boredom forever. • A wonderful gift for parents, teachers, educators, librarians, caregivers, and anyone who has to answer to the statement "I'm bored!" • Perfect for readers of early chapter books • Great for fans of the Fox & Chick series by Sergio Ruzzier, *Waiting Is Not Easy! (An Elephant and Piggie Book)* by Mo Willems, and *I'm Bored* by Michael Ian Black [Grades 4-5 Reading Comprehension](#) New York, Wiley [1965]

*Read-i-cide: The systematic killing of the love of reading, often exacerbated by the inane, mind-numbing practices found in schools. Reading is dying in our schools. Educators are familiar with many of the factors that have contributed to the decline, poverty, second-language issues, and the ever-expanding choices of electronic entertainment. In this provocative book *Readicide: How Schools are Killing Reading* and *What You Can Do About It*, author and teacher Kelly Gallagher suggests it is time to recognize a new and significant contributor to the death of reading: our schools. *Readicide*, Gallagher argues that American schools are actively (though unwittingly) furthering the decline of reading. Specifically, he contends that the standard instructional practices used in most schools are killing reading by: Valuing standardized testing over the development of lifelong readers Mandating breadth over depth in instruction Requiring students to read difficult texts without proper instructional support and insisting students focus on academic texts Ignoring the importance of developing recreational reading Losing sight of authentic instruction in the looming shadow of political pressures *Readicide* provides teachers, literacy coaches, and administrators with specific steps to reverse the downward spiral in reading; steps that will help prevent the loss of another generation of readers.*

[#Sober Not Boring](#) Sönke Ahrens

Why We Sleep Incentive Publications

"Should be in the hands of every history teacher in the country."— Howard Zinn James Loewen has revised *Teaching What Really Happened*, the bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retellings of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled "Truth" that addresses how traditional and social media can distort current events and the historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American Indian experience, and slavery. Book Features: An up-to-date assessment of the potential and pitfalls of U.S. and world history education. Information to help teachers expect, and get, good performance from students of all racial, ethnic, and socioeconomic backgrounds. Strategies for incorporating project-oriented self-learning, having students conduct online historical research, and teaching historiography. Ideas from teachers across the country who are empowering students by teaching what really happened. Specific chapters dedicated to five content topics usually taught poorly in today's schools.

Basic/not Boring Middle Grades Language Arts Book Theory workbooks (ABRSM)

These are just some of the questions you will find answered in this delightful collection of stories recounting real-life incidents from the life of Sudha Murty-teacher, social worker and bestselling writer. There is the engaging story about one of her students who frequently played truant from school. The account of how her mother's advice to save money came in handy when she wanted to help her husband start a software company, and the heart-warming tale of the promise she made-and fulfilled to her grandfather, to ensure that her little village library would always be well supplied with books. Funny, spirited and inspiring, each of these stories teaches a valuable lesson about the importance of doing what you believe is right and having the courage to realize your dreams.
