Entire Volume - Thorax and Lungs | Bates' Visual Guide

OSCE 1 presents a clinical encounter of a 50-year-old school counselor with complaints of sharp chest pains over the prior 2 weeks. Designed to test clinical reasoning skills, this video provides opportunities to answer questions, practice history

taking, and develop an assessment and differential diagnosis as well as an appropriate next diagnostic workup.

*Bates' Visual Guide to Physical Examination*  
Bates' Guide is now used for physical examination and history taking in our college courses for graduate nursing. This is a paperback book. I had run out of desk copies so I purchased some for faculty.

### Bates' Guide to Physical Examination and History-Taking ...

This video from the new Fourth Edition of Bates' Visual Guide to Physical Examination has been completely revised with new equipment, techniques, and modern settings for physical assessment. Available in 4 convenient formats—VHS,

---

PAL, DVD and streaming video files—the video provides 25 minutes of step-by-step examination footage with rationales.

Bates' Examination book is very good at detailing the proper manner in which to conduct a physical examination. It is detailed, and the biggest attribute is the pearls of wisdom placed on the outer portion of the text, to guide the reader as to what might be found that is abnormal.
