Bates' Guide is now used for physical examination and history taking in our college courses for graduate nursing. This is a paperback book. I had run out of desk copies so I purchased some for faculty.

Bates' Visual Guide to Physical Examination Carefully scripted and reviewed by clinical experts and educators including Dr. Lynn S. Bickley, author of Bates ' Guide to Physical

Examination and History Taking, the site presents a step-by-step approach to patient, current examination techniques, and normal and abnormal findings.

Home | Bates' Visual Guide Description. ****Please note this product includes the Bates' Visual Guide videos only- to purchase the Bates' Visual Guide with videos + OSCE select ISBN 9781469863856. Carefully scripted and reviewed by clinical experts and educators including Dr. Lynn S. Bickley, author of Bates ' Guide to Physical Examination and History Taking, the site presents a step-by-step approach to patient, current examination techniques, and normal and abnormal findings.

Bates' Examination book is very good at detailing the proper manner in which to conduct a physical examination. It is detailed, and the biggest attribute is the pearls of wisdom placed on the outer portion of the text, to guide the reader as to what might be found that is abnormal.
