The Fiends of Nightmaria
Bauchelain and Korbal
Broach

Set in the awe-inspiring world of the Malazan Empire, here are three tales of the enigmatic and eccentric necromancers Bauchelain and Korbal Broach collected in one volume. **BLOOD FOLLOWS** -- In the port city of Lamentable Moll, a diabolical killer stalks the streets and panic grips the citizens like a fever. As Emancipor Reese's legendary ill luck would have it, his previous employer is the unknown killer's latest victim. But two strangers have come to town, and they

have posted in Fishmonger's Round a note, reeking of death-warded magic, requesting the services of a manservant. **THE LEES OF LAUGHTER'S END** -- After their blissful sojourn in Lamentable Moll, the sorcerers Bauchelain and Korbal Broach -- along with their manservant, Emancipor Reese -- set out on the open seas aboard the sturdy ship Suncurl. Alas, there's more baggage in the hold than meets the beady eyes of the crew, and unseemly terrors awaken. For Bauchelain and Korbal Broach, and Emancipor Reese, it is just one more night on the high seas, on a journey without end. **THE HEALTHY DEAD** -- The city of Quaint's zeal for goodness can be catastrophic, and no one knows this better than Bauchelain and Korbal Broach, two stalwart champions of all things bad.

The homicidal necromancers -- and their substance-addled manservant, Emancipor Reese -- find themselves ensnared in a scheme to bring goodness into utter ruination. Sometimes you must bring down civilization... in the name of civilization.

Fall of Light Tor Books
It is an undeniable truth: give evil a name and everyone's happy. Give it two names and...why, they're even happier. Intrepid necromancers Bauchelain and Korbal

Broach, scourges of civilization, raisers of the dead, reapers of the souls of the living, devourers of hope, betrayers of faith, slayers of the innocent, and modest personifications of evil, have a lot to answer for and answer they will. Known as the Nehemoth, they are pursued by countless self-professed defenders of decency, sanity, and civilization. After all, since when does evil thrive unchallenged? Well, often—but not this time. Hot on their heels are the Nehemothanai, avowed hunters of Bauchelain and Korbal Broach. In the company of a gaggle of artists and pilgrims, stalwart Mortal Sword Tulgord Vise, pious Well Knight Arpo Relent, stern Huntsman Steck Marynd, and three of the redoubtable Chanter brothers (and their lone sister) find themselves faced with the cruelest of choices. The legendary Crack'd Pot Trail, a stretch of harsh wasteland between the Gates of Nowhere and the Shrine of the Indifferent God, has become a tortured path of deprivation. Will honor, moral probity, and virtue prove champions in the face of brutal necessity? No, of course not. Don't be silly. The Tales of Bauchelain and Korbal Broach

Vast legions of gods, mages, humans, dragons and all manner of creatures play out the fate of the Malazan Empire in this first book in a major epic fantasy series. The Malazan Empire simmers with discontent, bled dry by interminable warfare, bitter infighting and bloody confrontations with the formidable Anomander Rake and his Tiste Andii, ancient and implacable sorcerers. Even the imperial legions, long inured to the bloodshed, yearn for some respite. Yet Empress Laseen's rule remains absolute, enforced by her dread Claw assassins. For Sergeant Whiskeyjack and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the

siege of Pale should have been a time to mourn the many dead. But Darujhistan, last of the Free Cities of Genabackis, yet holds out. It is to this ancient citadel that Laseen turns her predatory gaze. However, it would appear that the Empire is not alone in this great game. Sinister, shadowbound forces are gathering as the gods themselves prepare to play their hand... Conceived and written on a panoramic scale, *Gardens of the Moon* is epic fantasy of the highest order--an enthralling adventure by an outstanding new voice. The town has recovered and yet the legacy remains.

Responding to reports of a growing unease among the tribes beyond the border, the Malazan army marches on the new god's people. They aren't quite sure what they're going to be facing. And in those high mountains, a new warleader has risen amongst the Teblor. Scarred by the deeds of Karsa Orlong, he intends to confront his god even if he has to cut a bloody swathe through the Malazan Empire to do so. Further north, a new threat has emerged and now it seems it is the Teblor who are running out of time. Another long-feared migration is about to begin and this time it won't just be three warriors. No, this time tens of thousands are poised to pour into the lands to the south. And in their way, a single company of Malazan marines . . . Random House

Things are going all too well in the city of Quaint. So well, in fact, that something has to be done. The zeal for goodness can

be catastrophic, and no-one knows this better than Bauchelain and Korbal Broach, two stalwart champions of all things bad. For the innumerable citizens of Quaint, driven to neurotic distraction and overwhelmed with good living, desperation breeds nefarious bed-mates, and before long the two homicidal necromancers - and their beleaguered and substance-addled manservant, Emancipor Reese - find themselves ensnared in a scheme to bring goodness into disrepute, if not utter ruination. To Reese's bemusement, laudable motivations are, in a bizarre twist, uncharacteristically relevant to Master Bauchelain, although, of course, the payment of a chest filled with gold helps. Even so, sometimes, it turns out, one must bring down civilization... in the name of civilization.
