1 Introduction. The BBC Academy has produced an online guide to subtitling.If you are new to subtitling, please start there. Subtitles are primarily intended to serve viewers with loss of hearing, but they are used by a wide range of people: around 10% of broadcast viewers use subtitles regularly, increasing to 35% for some online content.The majority of these viewers are not hard of hearing.
Policies and guidelines - About the BBC
Another good example of a style guide is BBC's Global Experience Language . It's an expansive system that's based on more than visual style: the choices are guided by its well-explained philosophy and well-considered design principles. The foundation is documented - without being long-winded - as well as containing patterns and components.
