It will help students gain proficiency

in solving a diverse variety of problems. A special capsule containing formulae is incorporated at the end of each chapter. Statistical techniques and the situations where these could be usefully employed are also discussed in detail. B.Ed. Entrance Exam Guide (R-64) Arihant Publications India limited Tantrasangraha, composed by the renowned Kerala astronomer N lakantha Somay j (c.1444-1545 AD) ranks along with ryabhat ya of ryabhata and Si

ddh nta iromani of Bh skar c rya as one of the major works which significantly influenced further work on astronomy in India. One of the distinguishing features is the introduction of a major revision of the traditional Indian planetary model. N lakantha arrived at a unified theory of planetary latitudes and a better formulation of the equation of centre for the interior planets (Mercury and Venus) than was previously available. In preparing the translation and

explanatory notes, K. Ramasubramanian and M. S. Sriram have used authentic Sanskrit editions of Tantrasangraha by Surand Kunjan Pillai and K V Sarma. All verses have been translated into English, which have been supplemented with detailed explanations including all necessary mathematical relations, illustrative examples, figures and tables using modern mathematical notation. Modern Poetry UN Matt Kearns, linguist, archaeologist and

reluctant explorer from Beneath the Dark Ice and Black Mountain returns in his first full-time adventure. And this time he doesn't have Alex Hunter to save him when things get weird. When a fame-hungry scientist brings an impossible, living specimen of a creature long thought extinct back from the wild jungles of South America he unwittingly brings along a passenger. Something with the potential to destroy every living thing on our planet. The infestation begins, rapidly overtaking medical resources and resisting all

treatment. One woman knows the danger, Carla Nero, chief scientist of the Centre for Disease Control. She makes Matt an offer he can't refuse and together they join a team heading to the deep jungle in a desperate race to locate the hidden place where the specimen was taken. Only by finding the location of the specimen can the team – and the world – hope to uncover the secret of how to survive the ancient, horrifying parasite that has been released. This title is a novella-length episode of The

First Bird. It will conclude with Episode 3 on 1 August. Please visit www.momentumbooks.com.au for release dates, further information and to sign-up to be notified of the next release.

Corporate Accounting
Springer
Science & Business Media
The 14th Revised Edition of the book "Corporate Accounting" includes the provision of the Companies Act, 2013, SEBI rules and regulations and Accounting Standards, wherever

applicable. The whole book has been updated and corrections made wherever required. Theory and accounting treatment has been revised as per Accounting Standards – 4 (Revised) and Companies (Amendment) Act, 2019. Each aspect of a chapter has been discussed in detail in order to meet the requirements of the syllabus prescribed by different universities and professional institutes.

Salient Features of the Book The

following features are worth nothing in the present text:

- The illustrations and assignment material has been made to conform to the requirements of Schedule III of the Companies Act, 2013. The relevant problems/ solutions has also been revised.
- The revised revision of Paragraph 14 of Accounting Standards — 4 concerning Financial Statements regarding Proposed final dividend has been

incorporated at relevant pages and the illustrations amended accordingly. • The relevant provisions of Ind AS — 7: Statements of Cash Flows dealing with Bank Overdraft and Proposed Dividend have also been taken care of in this book. • In the chapter of Redemption of Debentures, the treatment of interest on Debenture Redemption Funds Investments or Profit (or Loss) on the sale of DRFI have been

also summerised in the chapter. • All chapters have been revised and adapted. Problem of each chapter have been suitably graded and edited to include questions of topical interest. We are confident that the book in its revised form will be more useful for B.Com (Pass and Hons.), M.Com, M.B.A., C.A., I.P.C.E, C.A.(Final), I.C.M.A. (Stage II) and Company Secretaries (Executive Programme) Examinations. The Seven

Principles of Professional Services Arihant Publications India limited Anthology of Modern & Contemporary Poetry. Ideal for courses in Modern World Poetry, American Literature and American Studies, Anthology of Modern Poetry introduces students our diverse poetic heritage. Sakoontala Alpha Science International, Limited The present grammar has

been prepared with a view to meet the growing educational need of university students. The author has done his best to bring the present grammar up to the requirements of the students. In writing the various chapters of this book, the author has closely followed Pannini, as explained by Bhattoji Diksita. Many of the rules given here are translations of the relevant Sutras of Panini. The original Sutras are given in footnotes, where necessary. Sandhis and declensions are fully treated; compounds which dominate classical Sanskrit literature

have received special attention; formation of feminine bases has been illustrated; Taddhita affixes have been arranged in an alphabetical order. A special feature of the present chapter on the Conjugation of Verbs. The general rules given are amply illustrated by examples. All the verbs which change their pada when preceded by particular prepositions are given in an alphabetical order. The chapter on Syntax contains almost everything given in the first 20 chapters of author's Guide to

Sanskrit Composition; the chapter on Prosody is based on the Chandomanjari and the Vrttaratnakara. The author has spared no pains to make the book as useful and as complete as possible. Tantrasa graha of N laka ha Somay j Universal Law Publishing As prospective Architecture students concerned with professional advancement, you are aware of the importance of good tools and backing of solid

research. In this book, we offer you both. The book titled "Steps To Architecture" has been compiled to meet the requirements of students who wish to seek admission through NATA (National Aptitude Test in Architecture) conducted by COA (Council of Architecture) in India. It conforms to the latest test patterns and comprehensively covers each and every type of question which is encountered in the exams.

The book covered both Drawing & Aptitude Test content as per New Pen and Paper Style. The drawings/sketches have been incorporated in this book so that the students may follow sketches perfectly coordinating the subject matter. In this book, numerous informative notes with sketches have been arranged to make students understand the subject. This is the only book presently in the market, which deals with each

aspect of Architecture Entrance Exams and contains all relevant questions, making it exhaustive and complete in all respects. Human Rights and Constitution Making Ramesh Publishing House An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and

linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for applying skills.

Applied Cookery V&S Publishers "This publication is designed to assist United Nations staff who provide human rights advice to States, which undertake to amend an existing constitution or write a new one. It should also be of use to States that undertake constitutional reform, including political leaders, policymakers, legislators and those entrusted to draft constitutional amendments or a new constitution. Further this publication should also facilitate advocacy efforts by civil society to ensure that

human rights are properly reflected in constitutional amendments or new constitutions. Finally, this publication, along with the international human rights instruments, should not only provide a standard to measure whether constitutional amendments or a new constitution has appropriately reflected human rights and fundamental freedoms, but also assist in evaluating whether the processes used in constitutional reform are consistent with international procedural norms" --Introduction,

encompassed by
Maheshwari in
his book have
appeared in the

splendidly meets
the need, and it is
altogether fitting
that Professor B.
M. lohri, long an
associate and
close colleague of
Professor
Maheshwari and
himself a prolific
contributor to the
subject, should
have undertaken
the task of editing
it. When
Maheshwari
wrote, it was still
feasible for one
author to handle
the subject, but
today even
someone with his
fine bread th of

could not, alone,
do it justice. So

the effort has to
be a collaborative
one; and
Professor lohri's
achievement has
been to bring
together a team of
authoritative

assign them their
responsibilities,
and put them to
