DSSSB PGT Mathematics Exam Prep Book 2023 (English Edition) : Post Graduate Teacher (Concerned Subject - Section B) - 10 Practice Tests Cambridge University Press

Supporting STEM-based learning, this fact-filled book for shark aficionados ages 6–9 is the ultimate guide to sharks, from hammerheads to great whites. Entertaining and educating young readers through a combination of close-up images, quirky trivia facts, quiz questions, and fascinating tidbits, it's the perfect book for any kid who can't get enough of these ferocious fish. Which shark species can live for 400 years? Why do some sharks glow in the dark? What was the biggest shark of all time? Find out the answers to these questions and more in DKfindout! Sharks, which features stunning wildlife photography of sharks in their native environments, throughout every stage of their life cycles. The book explains what separates sharks from other kinds of fish, introducing readers to more than 50 shark species from around the world and giving habitat and growth statistics for each one. With an eye to conservation, DKfindout! Sharks spotlights endangered shark species and offers advice for preserving ocean habitats, making it the perfect choice for eco-conscious kids looking to learn more about this amazing underwater world. Vetted by educational consultants, the DKfindout! series drives kids ages 6–9 to become experts on more than 30 of their favorite STEM- and history-related subjects, whether Vikings, volcanoes, or robots. This series covers the subjects that kids really want to learn about—ones that have a direct impact on the world around them, like climate change, space exploration, and rapidly evolving technology—making learning fun through amazing images, stimulating quizzes, and cutting-edge information. The DKfindout! series is one that kids will want to turn to again and again.

DKfindout! Garbage Dorling Kindersley Ltd

Find out how to live more sustainably, manage waste better, and create an eco-home! Garbage tells us a lot about how humans have lived in the past, how we're living now, and the impact our waste disposal has on the environment. To create a more sustainable future, it's important that little eco-warriors know about the different types of waste and how to create less garbage! DKfindout! Garbage is a fun, trivia, and activity-filled book that teaches young children between 5 and 9 years old about the problems the planet is experiencing with waste. Published to engaged young activists keen to make a difference, this waste management book: • Covers topics such as "Electronic waste", "Food we waste the most", and "Recycling ideas for kids" with a clear visual approach • Includes a glossary to help explain new or tricky terms • Contains flaps at the beginning and end that provide extra core references and a quiz to draw children into the content of the book • Features dynamic, highly visual presented topics including a spread about art made from garbage • Checked by specialist consultants and an educational expert to make sure the information is trustworthy and age-appropriate Teach children how important it is to throw out your trash and recycle Thought-provoking and timely, DKfindout! Garbage educates and challenges young readers to ask questions about how garbage is created, disposed of, the biggest contributors to excess waste such as fast fashion, plastic, and electronics - and how they can counter the effects of these culprits. An important yet colorful sustainability book for kids, this title teaches children how to produce less waste and how to manage waste better! They'll learn about recycling, upcycling (even creating art from garbage!), how to stop wasting food, and why plastic is a problem. More titles to Findout! This DKfindout! series introduces children to a range of exciting topics in a fun, engaging way. Checked by specialist consultants and an educational expert, this is not only a source of information you can trust but one that is age-appropriate and supports your child's schoolwork. Other titles include DKfindout! Science, DKfindout! Animals, and DKfindout! Forest. DKfindout! series won Silver in the MadeForMums Awards 2017.
