This compendium of the core teachings of Thich Nhat Hanh, based on a talk given at a prison, shows how mindfulness practice can cultivate freedom no matter where you are. "So many of us, inmates and outsiders alike, are in prisons of our own making.... The miracle of mindfulness can free us all" Shepherdstown Chronicle

## What Our First Amendment

## Means Hachette Books

A shattered self-image, toxic relationships, emotional brokenness, and a painful past seal us off from the abundant life Jesus promised if left unchallenged by the power of God. Born to Be Free is for those who are no longer willing to settle for life as it is, but who desire to walk in the peace and fullness God has promised – a life transformed by the healing and freedom purchased by his blood for every follower of Christ.

## The Art of Transforming

## Suffering Zondervan

With the possibility of a "Big Lebowski" sequel on the horizon, Dudeism continues to grow as the Number One religion based on a Jeff Bridges movie, we welcome the second in a series of books for children to answer the simple question "Do You Abide?" Little Finnegan is back, and this time he learns what it takes to ABIDE, and how easy it really is. For those looking for more answers on the subject of Dude or Dudeism, please visit the Church of the Latter-Day Dude at <http://dudeism.com/> Born to Be Free New

Harbinger Publications  
Transparency is vital to the building and strengthening of every relationship and every ministry. It allows people to see you as approachable and to feel safer when talking to you. Transparency is a gateway to trust, and trustworthiness is an important quality which people seek in a good, ministerial leader. They want to know: Is this person trustworthy? Is this person honest? How do I know I can talk to

this person without fear of condemnation? It is with this in mind that Rohini Townsend approaches writing, friendships, ministry, and life itself. Her desire to see people healed and whole has led to a candor and openness that is sure to tug at the heartstrings of the despondent. Put Some Shoes On, is an emotional and gripping story of one little girl's journey through heartache, rejection, abuse, and turmoil. Chronicling her path from scared child to

broken, rebellious teen to powerful, anointed woman of God, the author shares the most intimate moments of her life with refreshing transparency and soul stirring honesty. It is not only a story of past hurts, it is a story of learning, growing and seeking a deeper relationship with God -- the steps and sacrifices that are required for that level of depth and connection to the Father. Raw, poignant, and insightful, Put Some Shoes On was written to

---

heal. It was written with your salvation in mind. This is a story of overcoming and, while on that walk, discovering who you are, and more importantly, WHOSE you are. Every step you take was conceived in the mind of the Father to guide you towards recognizing the spiritual gifts He has placed in you. Be not weary in well doing. Do not allow your circumstances to define you. Do not be consumed by trials and heartache. Take your experiences

and let God use them to mold you into a powerful Kingdom citizen. Put some shoes on and walk boldly in your Godly identity.

You Too Can Be Free

H. Grevemberg Clutter has a negative effect on your life. You want to live differently, but you haven't been able to make progress. Marcie Lovett, author of The Clutter Book, will motivate you to make the changes you want.

Learn to let go of what you don't need and find room for what you value. The direct, accessible writing style and interactive exercises will inspire you to succeed. In this book, Marcie guides you through the process of letting go of the clutter that is keeping you from achieving success. Whether your clutter is caused by things, commitments or thoughts, Marcie

---

encourages you to make the choices to conquer your challenges. If previous attempts at letting go of clutter have not been successful for you, you will benefit from the motivation and wisdom Marcie offers. Written in a straightforward and accessible style, filled with insight and real-life stories, the book enables readers to learn from the

experience of others and overcome obstacles to success. You will understand why you keep clutter, save time and money by avoiding unnecessary purchases, discover the habits that hold you back, find ways to fight procrastination and create systems that allow you to retrieve and return items. Whether you want to live with less or live with what you

have, this is the book for you. Be Positive Coloring Book Zondervan  
If you were diagnosed with a disease, would you accept the idea that you must live with the diagnosis? Or would you research, educate yourself, and seek treatment, until you found a cure? Why is addiction any different? Why would you believe it is not curable? Everyone's burdens are different. What is a "life crisis" for one person, another might

---

call "nothing at all," and others experience more trauma, anxiety, depression, or health issues in their lives than one could ever imagine? We all have our cross to bear as they say. What separates us is the weight and size of it and how far uphill we have to haul it. The truth is, we are all addicted to something. It might not be alcohol or drugs. It could be sex, gambling, pornography, playing video games, working, exercising, eating,

shopping, hoarding, cleaning, even pain? The list goes on Infinitum. The promises found within this book can be used to overcome anything in your life once you understand them. If you complete the Steps as outlined in the pages of this book, you will find serenity, freedom, and peace as have thousands of men and women before you have. You will find a cure for addiction, depression, anxiety or life's difficulties  
*You Are in Prison and You Think You*

*Are Free Createspace Independent Publishing Platform*  
Welcome to the adventure! When I was growing up, the idea that being Catholic was an "adventure" was the farthest thing from my mind. You just "were". And, pretty much, memorizing some definitions and what "rules" you had to keep in order to be "saved" completed the

---

picture. Then why would I entitle these challenging reflections to aid our life's journey: FREE AND HOLY WHERE YOU ARE? Perhaps because many Catholics don't feel freed by the "rules", and don't feel they will ever be truly "holy". Only for priests, sisters, or monks could "where you are" possibly promote holiness!

Yet the "Daily Life of a Catholic" is exactly where we always are with Jesus as our friend and confidant, and members of his Body, the Church. Be prepared to choose a hundred thoughts or phrases you'll want to remember for the rest of your life. "If you are one of those people who, like me, understand Roman Catholic

tradition as a solid foundation meant to encourage, not discourage, intelligent critical moral thought, then this is the book for you. It will make you excited (again) to be a Roman Catholic believer." Msgr. Robert J. Thelen, Seminary Professor and Parish Priest "A MARVELOUS BOOK Having learned that

---

a priest I greatly admire had written a book, I eagerly looked forward to obtaining and reading a copy. When Msgr. Dennis M. Regan's "Free and Holy Where You Are: The Daily Life of a Catholic" arrived in the mail, my first reaction was I wondered if the book had a good title. The format of the book is a

collection of two- or three-page essays, a format that I usually don't find attractive, and so I was concerned that I might not like the book. My concerns disappeared quickly as I read the text. Msgr. Regan has written a marvelous book, and the title is perfect. The book was a challenging,

instructive and often inspiring experience. In God's incredible and unconditional love for each of us, God invites us to become: Co-creators with God of a redeemed but unfinished world. That will bring enthusiasm and excitement for any Christian believer who accepts the invitation." Rev. Robert E. Lauder,

---

"Arts and Culture" published in The Brooklyn TABLET, Nov. 30, 2019 A TERRIFIC, WELCOMING VOLUME Regan seeks to highlight what he sees as the more inviting aspects of Catholicism, which some readers may not expect---most prominently its flexibility and humanity....Readers who are familiar with the history of Catholic writings

will be struck again and again in Regan's compassionate, empathetic notes, which would have been unrecognizable in Catholic thinkers of an earlier age....Many modern believers, especially young ones, will find a version of Catholicism in these pages that they can embrace. ---Kirkus Reviews

*Free And Holy Where You Are Christian Faith Publishing, Inc.* Book 2 has more content regarding how to position yourself to ascend into heaven. Addressing the varied reasons we ascend along with cultivating the lifestyle of heaven ascending. Many practice exercises as well as prayers included. Angels,

---

The Cloud of Witnesses, intercession and The Fathers throne are among the subjects covered. *Be Free. Be You* Createspace Independent Publishing Platform Have you ever questioned life and wonder why you? Can you hear yourself saying, "Is there more to life than this?" I can identify this with

you. Did you know? Our brain process approximately 70,000 thoughts on an average day. Often many wonder why so many give up and quit in life. In this book I will show you how to rise above mediocrity. No more settling for less than God's best and only fantasizing about your heart desires - Its time you Rise Above,

Now. Put Some Shoes on Running PressBook Pub Con artist get conned into caring for seven cousins: At the funeral for her latest mark, a recently-deceased, mega-rich tycoon named Parker DeLune, con artist Christy find herself welcomed by his seven strange cousins, collectively called "The Loons." Celebrate the DeLune with Christy as she navigates their eccentricities while discovering that wily

---

estate attorney are running their own scam. Christy soon finds herself fighting not only for The Loon, but also for a new life.

The way we talk to ourselves is often unkind and filled with self-judgments. These overly harsh self-criticisms can make us feel unworthy and incomplete. What if what you

really need is not higher standards for yourself, but greater self-compassion? In *Living with Your Heart Wide Open*, you'll discover how mindfulness and self-compassion can free you from the thoughts and beliefs that create feelings of inadequacy and learn to open your heart to the loving-kindness within you

and in the world around you. Based in Western psychotherapy and Buddhist psychological principles, this book guides you past painful and self-limiting beliefs about yourself and toward a new perspective of nonjudgmental awareness and acceptance of who you are. You'll

---

receive gentle  
guidance in  
mindfulness and  
compassion  
practices that will  
lead you away from  
unproductive, self-  
critical thoughts  
and help you live  
more freely and  
fearlessly, with  
your heart wide  
open.

**Prisoner of the Mind** Xulon Press

The life force, also known as "spirit," is the essence of being and the conscious and most important

form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who we really are. Consciousness is purely energetic and therefore difficult to quantify in mechanistic terms.

It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with

---

expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual

awareness. *The Loons* Savant Books and Publications In this six session video Bible study (DVD/digital video sold separately), Rebekah Lyons explores why we all want to know, beyond a shadow of a doubt, what we were made for. Yet many of us believe that "calling" feels like something held for the exclusive few. Rebekah's heart is to dismantle that idea, to remind each and every one of us that God has plans for

something specific if we have ears to hear the still small voice of a Father that beckons. What if we pressed into finding our truest selves hidden below the surface? Rebekah has traveled the country sharing with vulnerability her own pain and struggles to hear God and follow Him. "I have prayed with hands laid for healing and deliverance on women considering suicide, experiencing trauma, fighting cancer, holding off

---

divorce, overcoming addiction and more. These are women, battle weary and wounded saying, "I'm done with the life I've created. I hunger for all that God promises. I want to expect more from a passionate and relentless God. I cannot continue to operate from a place of wounding. Please set me free." But there is risk in this journey. We cannot get ahead of ourselves and just end up with a prettier version of striving. Rebekah reminds viewers that without healing from God along the way we can be pulled back into a place of wounding and bondage. But abiding in God's presence will bring us answers and inform and sustain our calling. Rebekah's voice is a vulnerable, prophetic call for women to become who they've already been designed to be. She is answering the questions women are asking. Listen to hear how we truly run free. Designed for use with the You Are Free DVD (sold separately).

*Alex's Phenomenal Poetry* Albert Whitman & Company  
Have you bought the lie? Many of us do. We measure our worth by what others think of us. We compare and strive, existing mostly for the approval of others. Pressure rises, anxiety creeps in and we hustle to keep up. Jesus whispers, I gave my life to set you free. I gave you purpose. I called you to live in freedom in

---

that purpose. Yet we still hobble through life, afraid to confess all the ways we push against this truth, because we can't even believe it. We continue to grasp for the approval of anyone that will offer it: whether strangers, friends, or community. Christ doesn't say you can be or may be or will be free. He says you are free. Dare you believe it? In You

Are Free, Rebekah invites you to:

- Overcome the exhaustion of trying to meet the expectations of others and rest in the joy God's freedom brings.
- Release stress, anxiety and worry, to uncover the peace that comes from abiding in His presence.
- Find permission to grieve past experiences, confess areas of brokenness, and receive strength in

your journey towards healing.

- Throw off self-condemnation, burn superficial masks and step boldly into what our good God has for you.
- Discover the courage to begin again and use your newfound freedom to set others free. Freedom is for everyone who wants it—the lost, the wounded, and those weary from all of the striving. It's for those who gave up trying years ago.

---

It's for those angry and hurt, brilliant and burnt by the Christian song and dance. You are the church, the people of God. You were meant to be free.

Self Publishing Freedom Osho Media International Charming, practical and resourceful. This book is very helpful to all meditation practitioners, beginners and experienced alike. The author reveals many ways to practice mindfulness for children, pregnant women, soldiers... and the way how to keep a natural awareness in our daily lives. This book also explains about two sets of suttas that were recited as daily chanting sessions by many sangha members in the early years while the Buddha still wandered on earth. The author also reveals clearly the bridges among different Buddhist meditation traditions. Loi cuon, thuc dung va nghien cuu phong phu.
