The Temptation of Lila and Ethan Pam Godwin

A Dickensian coming-of-age tale about poverty, sex, World War I, and the darker side of human nature as seen through the eyes of a lobby boy in a Budapest hotel. Temptation is a rediscovered masterwork of twentieth-century fiction, a Dickensian tale of a young man coming of age in Budapest between the wars. Illegitimate and unwanted, Bela is packed off to the country to be looked after by a peasant woman the moment he is born. She starves and bullies him, and keeps him out of school. He does his best to hold his own, and eventually his mother brings him back to live with her in the city. In thrall to his feckless father, Mishka, and living in a crowded tenement, she works her fingers to the bone, while Bela shares a room with a hardworking prostitute. Finally, Bela secures a job in a fancy hotel. Though exhausted by endless work, he is fascinated by the upper-crust world that his new job exposes him to; soon he is embroiled with a rich, damaged, and dangerous woman. The atmosphere of Budapest is increasingly poisoned by the appeal of fascism, while Bela grows ever more aware of how power and money keep down the working classes. In the end, with all the odds still against him, he musters the resolve to set sail for new future.

Temptation Edge

Vance Hale has everything. A ridiculous amount of money, an Ivy-league education, and a 1,000-watt smile that can charm the designer dress right off a girl. He's also going to have a future that includes me—whether he wants it or not. I don't care that he's trying to reform his playboy ways, or that he made a bet to go 90 days without the touch of a woman. I've spent the last decade planning my revenge and I need a partner in crime. This gorgeous, cunning man should do fine. So, we strike a deal. I'll help get him across the finish line and he'll bring me into his world among the Cape Hill elite. Our relationship may be fake, but our chemistry is shockingly real. Neither of us is any good at resisting temptation.

Into Temptation: Books 7-9 Kensington Books

I hit on her first. Realized she was my best friend Finn's little sister second. And got a bloody nose third - compliments of Finn after he watched me nearly score with the new underclassman. After all I did have a reputation on campus, word on the street was that a girl could orgasm within one minute just watching me eat Lucky Charms. You can't make this stuff up - even though it was at least four minutes and included outside circumstances. Ahem, I digress. Point is, not only did I earn the attention of the worst sort of girl for me - my best friend's only sibling - but now she's out to seduce me. Me! One of the most famous Pleasure Ponies of them all! I can't shower - she follows me to the bathroom. Literally. I can't sleep - Lucky me, she lives in the same dorm. And I can't focus on anything except for her taunting eyes every single time something goes her way. I want her, but I don't want her to know I want her, and I definitely don't want to die before graduation, which is looking more and more likely considering we can't keep our hands off each other. Something's gotta give, and I have an inkling I should probably start writing my eulogy now because that something is probably going to be me.

To protect those who matter most, we will betray others in ways we never expected. This is supposed to be a good year. With a new set of instructors - and ones I know well - I'm sure it will be. For once, things are finally starting to go my way. My mentors are proud, my family is closer than ever before, and I am happy. Unfortunately, the gods are tired of waiting. Every day, Zeal grows stronger, but Ambition, Inspiration, Perception, Compassion, and Intuition don't. They're fading, with no hope in sight. Except me. Piece by piece, my god has built me up, given me "weapons" to use, and made me into the kind of woman I can be proud of. He calls me his partner and that isn't an empty title. It means more than just serving him. I can tell by the longing in his divine eyes. My success doesn't go unnoticed, though. My haters want to destroy me, but let them try. Petty bullying is too childish for me to worry about. With so many priests able to see the God of Temptation now, I no longer care who likes me and who doesn't. And that's my biggest mistake. Because my god doesn't run this temple. He doesn't make the rules. With a single signed paper, I'm no longer as safe as I thought. Friends are going to be betrayed. Lovers will suffer.

Somehow, I have to fix this. I am the Priestess of Temptation, Zeal's chosen. Someone is going to be punished. I almost hope it's me. Possible Triggers:

Discussions of rape and assault, domestic violence, bullying, harassment, consensual pain and battery, shaming, sexual sadism, minor violence, and more adult themes. The Path of Temptation series features a strong woman and the men who love her. Graphic language, adult situations, and potentially triggering violence that are suitable for a mature audience are included. This is a love story, but sometimes love comes with a price.
