From the New York Times bestselling author of the Tradd Street series comes a stunning novel about a young single mother who discovers that the nature of friendship is never what it seems.... Recently divorced, Merilee Talbot Dunlap moves with her two children to the Atlanta suburb of Sweet Apple, Georgia. It's not her first time starting over, but her efforts at a new beginning aren't helped by an anonymous local blog that dishes about the scandalous events that caused her marriage to fail. Merilee finds some measure of peace in the cottage she is renting from town matriarch Sugar Prescott. Though stubborn and irascible, Sugar sees something of herself in

Merilee—something that allows her to open up about her own colorful past. Sugar's stories give Merilee a different perspective on the town and its wealthy school moms in their tennis whites and shiny SUVs, and even on her new friendship with Heather Blackford. Merilee is charmed by the glamorous young mother's seemingly perfect life and finds herself drawn into Heather's world. In a town like Sweet Apple, where sins and secrets are as likely to be found behind the walls of gated mansions as in the dark woods surrounding Merilee's house, appearance is everything. But just how dangerous that deception can be will shock all three women....

She has glamorous and loyal friends who accompany her to the hottest clubs in town. And she works as the personal assistant to Drew Stanton, Hollywood's sexiest movie star. But she's also turning 30, chronically single, and faced with serving as maid of honor at her younger sister's wedding. Charlie finds herself struggling to juggle the chaos of wedding planning (while wondering if she'll ever wear the white dress herself), her all-consuming job for lunatic boss Stanton, and a serious crush on Jordan, a photographer on the set of Drew's latest feature--a man who might actually return her feelings. A page-turner from start to finish, A Total Waste of Makeup puts a fresh face on women's fiction.

A Dancing Tide Less Than Three Press, LLC

Thirty-year-old Charlotte Wheelwright seems to have at last found her niche, running an organic gardening business on the island of Nantucket, thanks in large part to her spry grandmother Nona, who donated a portion of land on the family's seaside compound to get Charlotte started. Though Charlotte's skill with plants is bringing her success, cultivating something deeper with people—particularly her handsome neighbor Coop—might be more of a challenge. Now the entire Wheelwright clan is making its annual summer pilgrimage to the homestead, including Charlotte's mother, Helen, who brings a heavy heart as she

confronts a betrayal that threatens her sense of place and her sense of self. Bringing together three generations of strong-willed women, each wrestling with life-changing decisions, Nancy Thayer's luminous novel shows that no matter where life's path may lead, love always finds a way back home.

A Barefoot Tide Insiders' Guide

An inspiring autobiography by “one of the finest human beings, industrial leaders, and philanthropists on the planet” (Stephen R. Covey). The company Jon Huntsman founded in 1970, the Huntsman Corporation, is now one of the largest petrochemical manufacturers in the world, employing more than 12,000 people and generating over \$10 billion in revenue each year. Success in business, though, was always a means to an end for him—never an end in itself. In Barefoot to Billionaire, Huntsman revisits the key moments in his life that shaped his view of faith, family, service, and the responsibility that comes with wealth. He writes candidly about his brief tenure in the Nixon administration, which preceded the Watergate scandal but still left a deep impression on him about the abuse of power and the significance of personal respect and integrity. He also opens up about his faith and prominent membership in the Church of Jesus Christ of Latter-day Saints. But most importantly, Huntsman reveals the rationale behind his commitment to give away his entire fortune before his death. In 1995, Huntsman and his wife, Karen, founded the Huntsman Cancer Institute and eventually dedicated more than a billion dollars of their personal funds to the fight for a cure. In this increasingly materialistic world, Barefoot to Billionaire is a refreshing reminder of the enduring power of traditional values.

The incredibly irksome fly in her coconut tanning oil is steely-eyed Trace Saunders, whose family owns the opposite side of town.
