Guidelines Beach Resort Design

Guide To Hotel Design is a series of articles that have been specifically commissioned by experts to guide readers through the journey – challenges and solutions – of designing a hotel. The aim of this section is to provide designers, architects and hoteliers with vital information so that they can avoid common pitfalls.

Mountain Resort Design Guidelines - British Columbia

These Design Guidelines have been prepared by Oberto Oberti Architecture and Urban Design Inc. to create an identifiable and cohesive design character for the resort, utilizing a fairly limited vocabulary of design features that reinforce the notion of a desirable mountain retreat; an escape from the more mundane solutions of urban centres.

Designing a Holiday Resort | Architecture and Design ...

The best approach is to establish a maximum size for each resort based on environmental and other relevant considerations and, when one resort in an area is fully developed, to then develop new resorts elsewhere in the area or rehabilitate declining existing tourism areas.
