Adaptations 2. Yes 3. Typically
clothespin and tongue depressor
tongs are good at picking up more
than one type of food. If students
use the strainer as a scoop, the
strainer will also do well at
picking up several different types
of food. 4. Write up for
conclusion will depend on the
student’s prediction and results.

Investigating Bird Beak Adaptations Lab Activity Student ...

An adaptation is a characteristic that helps a plant or animal survive in its environment. Bird beaks have adapted for many things such as eating, defense, feeding young, gathering nesting materials, building nests, preening, scratching, courting and attacking. The size and shape a beak is specific for the type of food the bird gathers.

Birds and their Adaptations

Student Activity Book Answer Key

Answer the questions posed in complete sentences. Which beak was best adapted to each type of food? Which beak was least adapted to each type of food? Would you change your feeding strategy if you had another opportunity to “ feed? ”

Activity: Bird Beak Adaptation Lab

Activity: Bird Beak Adaptation Lab . Goal: To learn about the advantages and disadvantages of variations, by simulating birds with different types of beaks competing for various foods.

Materials . scissors, plastic spoons, tweezers, large binder clip, paper clips, rubber bands, toothpicks, pasta, plastic cups, cardboard box lids or trays.

Procedure: 1. What I Know: Write a sentence or two ...

Beak Adaptation Lab Answers

This Bird Beak Adaptation Lab is geared for middle school students. They will learn how organisms adapt to best suit their environment. Beaks are a great example of this. Certain beaks are better at gathering certain

foods.

Birds, Beaks, and Adaptations Objective: The student will learn and describe how different kinds of bird beaks have adapted to feed on different foods within a specific habitat.

Materials: Simulation habitat equipment 2 containers of water: one shallow (2 " of water), one deep (10 " or more water) 4 tweezers 4 tongs with tape over tong 4 long handled salad tongs 4 pliers 1 package of rice or ...
