Ivy and Bean need some money. Ten dollars, to be exact. Never mind what for. Okay, it's for low-fat Belldelon cheese in a special just-for-you serving size. Don't ask why. How are Ivy and Bean

going to make ten dollars? Hey, maybe they should write a newspaper about Pancake Court and sell it. Great idea! And easy, too. All they have to do is snoop around the neighborhood. Wow. It's very interesting what you can find out. It's even more interesting when the neighbors read about it in the newspaper. Includes bonus material! - Sneak peek chapter from the next book in the Ivy + Bean series *Ivy and Bean Make the Rules* by Annie Barrows, illustrated by Sophie Blackall - Our second ever Ivy + Bean Quiz! - Other fun games

From bestselling author Jon Gordon and rising star Damon West comes *The Coffee Bean*: an illustrated fable that teaches readers how to transform their environment, overcome challenges, and create positive change. Life is often difficult. It can be harsh, stressful, and feel like a pot of boiling hot water. The environments we find ourselves in can change, weaken, or harden us, and test who we truly are. We can be like the carrot that weakens in the pot or like the egg that hardens. Or, we can be like the coffee bean and discover the power inside us to transform our environment. *The Coffee Bean* is an inspiring tale that follows Abe, a young man filled with stress and fear as he faces challenges and pressure at school and home. One day after class, his teacher shares with him the life-changing lesson of the coffee bean, and this powerful message changes the way he thinks, acts, and sees the world. Abe discovers that instead of letting his environment change him for the worse, he can transform any environment he is in for the better. Equipped with this transformational truth, Abe embarks on an inspirational journey to live his life like the coffee bean. Wherever his life takes him, from school, to the military, to the business world, Abe demonstrates how this simple lesson can unleash the unstoppable power within you. A delightful, quick read, *The Coffee Bean* is purposely written and designed for readers of all ages so that everyone can benefit from this transformational lesson. This is a book and message that, when read and shared, has the power to change your life and the world around you. You just have to decide: are you a carrot, egg, or coffee bean?

"This story defies expectations of what an early chapter book can be." School Library Journal "Ivy and Bean are irresistible." Kirkus Reviews, starred review Annie Barrows's bestselling chapter book series, Ivy & Bean, is a classroom favorite and has been keeping kids laughing—and reading—for more than a decade! With more than 6 million copies in print, Ivy + Bean return with a brand-new book for a new generation! Now in paperback! Ivy's worried. She's read a lot of books about only children, so she knows that they are sometimes spoiled rotten. They don't share their toys. They never do any work. They scream and cry when they don't get their way. Spoiler alert! Ivy doesn't have any brothers or sisters. That's why she's worried. How can she keep from getting spoiled? She could give away all her clothes, but she'd probably get in trouble. She could give away all her toys, but she likes her toys. There's really only one solution: she needs a baby sister, on the double! Luckily, Ivy and Bean know just where to get one. • Fantastic fun for 1st- to 4th-grade readers, teachers, parents, and grandparents • Funny and heartwarming; early readers will love the continuing adventures of best friends Ivy and Bean. • Strong positive characters for girls and great lessons on friendship in an easy-to-follow chapter book. For young chapter book readers who love Bink and Gollie, Dory Fasntasmagory, and Judy Moody. • For kids ages 6–9 • Educators, parents, siblings, grandparents • Best friends books Annie Barrows is a bestselling author of books for both children and adults, including the YA novel Nothing, and the bestselling novel The Guernsey Literary and Potato Peel Pie Society. She lives in Northern California with her husband and two daughters. Sophie Blackall has illustrated over 20 books, which have won awards such as the Caldecott Medal, the Ezra Jack Keats Award, and the Founders Award from the Society of Illustrators. Book 8 Farrar, Straus and Giroux (BYR)

A Mexican jumping bean isn't a bean at all. It's a fascinating home and food source for a special kind of caterpillar! With Spanish vocabulary and a clever counting concept, this poetic story shares the life cycle of a Mexican jumping bean. This curious jumping insect is actually a seedpod from a shrub called yerba de la flecha, into which a caterpillar burrows, living inside the pod until it builds a cocoon and breaks out as a moth. Perfect for preschoolers and prereaders, this creative picture book explores the Mexican jumping bean's daily life and eventual transformation and escape from the pod.
