Jennifer Ashley's New York Times bestselling Shifters Unbound series continues as a Shifter and a human are faced with the unexpected, undeniable pull of a bond... As the military liaison between the human Shifter Bureau and Shiftertown, Walker is often stuck trying to appease both sides—and angering both. So when bear-Shifter Rebecca is captured taking a run in a restricted area, Walker has to talk fast to get her released. The compromise: if Rebecca helps him find a missing woman—thought to have been abducted by a Shifter—she won't be charged and executed. Mateless Rebecca is not happy to be under Walker's supervision. As a bear used to roaming for miles, she hates being confined and restricted, she distrusts anything involving humans, and—worst of all—the strong and handsome Walker starts triggering her mating need. They have no choice but to work together, and as they continue their search for the missing girl, uncovering secrets neither Shifters nor humans want them to know, both Walker and Rebecca find it hard not to mix business with pleasure... My world isn't safe. The northern gate lies open and monsters roam the land. Towns are locked behind walls, protected by the emperor and his Black Army. Once, a fated priestess and her four guardians kept the gate sealed with magic, but there hasn't been a priestess in over a century...or so I thought. When a monster attacks me within the walls of my village, I am saved by Sir Forrest—the quiet former soldier who came to Istim three years ago. Turns out, he's been watching me. Waiting for my powers to awaken. I am the fated priestess. But there have been others. The genius commander Abel and the Black Army have killed them all. Sir Forrest found out the truth, and now he is driven by his sacred mission to help me find my guardians and bring me to the gate. All I have to do? Find them and join with them in the Grand Quintet to grant them the powers I apparently hold, close the gate, and save the world...without suffering the same dire fate as the priestesses who came before me. I've always liked attention...but this is too much. This reverse harem epic fantasy romance trilogy is for those who enjoy plenty of steam, strong heroines, a few hot guys (and one who is just pretty and probably sparkles), more tragic pasts and secrets than any group of people should reasonably have, and winged cats.

Priestess Awakened Amelia Wilde

Damn her. His body was still on fire. Damn her, why had she responded that way? So honestly. With no coyness. No affectation. Her mouth had been so receptive. Her kisses so generous. Her breasts so soft... Only two survive the small plane crash in the Canadian wilderness miles from civilization: Rusty Carlson, a real estate agent from Beverly Hills, who has never faced anything more perilous than L.A.'s rush hour traffic; and Cooper Landry, an embittered Vietnam veteran, who has endured the horrors of warfare and a POW camp. Rusty wouldn't have believed herself capable of dragging her unconscious fellow passenger from the wreckage, but that was only the first challenge confronting her. The man himself is as hostile and unforgiving as the mountainous terrain in which they're stranded. If they had a choice, they would go their separate ways. But they don't. If they want to live, they must stay together. Teamed against the harsh elements, injury, and a pair of conniving cutthroats, Rusty and Cooper must rely on each other in order to survive. In a one room cabin they find shelter. . .but, as winter closes in, they have no protection against the sexual attraction that becomes the real test of their fortitude. Within those four rough walls, Rusty discovers that Cooper's brusqueness arises from immeasurable heartache, and, to Cooper's dismay, his credo of No romance, no love, no thanks becomes his desperate chant to ward against Rusty's allure.
