BESTSELLER • Real
love . . . as seen on TV. A
plus-size bachelorette
brings a fresh look to a

reality show in this razor-sharp, “divinely witty” (Entertainment Weekly) debut. “Effortlessly fun and clever . . . I found the tension impeccable . . . and that made my reading experience incredibly propulsive. Read it in a day and a half.”—Emily Henry, #1 bestselling author of *Beach Read* and *The People We Meet on Vacation* **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY** Time • NPR • Marie Claire • Mashable

Bea Schumacher is a devastatingly stylish plus-size fashion blogger who has amazing friends, a devoted family, legions of Insta followers—and a massively broken heart. Like the rest of America, Bea indulges in her weekly obsession: the hit

reality show *Main Squeeze*. The fantasy dates! The kiss-off rejections! The surprising amount of guys named Chad! But Bea is sick and tired of the lack of body diversity on the show. Since when is being a size zero a prerequisite for getting engaged on television? Just when Bea has sworn off dating altogether, she gets an intriguing call: *Main Squeeze* wants her to be its next star, surrounded by men vying for her affections. Bea agrees, on one condition—under no circumstances will she actually fall in love. She’s in this to supercharge her career, subvert harmful beauty standards, inspire women across America, and get a free hot air balloon ride. That’s it. But

when the cameras start rolling, Bea realizes things are more complicated than she anticipated. She's in a whirlwind of sumptuous couture, Internet culture wars, sexy suitors, and an opportunity (or two, or five) to find messy, real-life love in the midst of a made-for-TV fairy tale. In this joyful, wickedly observant debut, Bea has to decide whether it might just be worth trusting these men—and herself—for a chance to live happily ever after.

Chemist & Druggist Directory and Tablet & Capsule Identification Guide DIANE Publishing

Details the prescription considerations for individuals with physical disabilities. Compares conventional

and lightweight wheelchairs, and factors in functional assessment. Examines the technical aspects of seat cushion selection, factors that affect the ergonomics of wheelchair operation, and the influence of powered mobility. Also covers wheelchair standards and current directions in wheelchair research. Appendix covers "Types of Wheelchairs". Over 100 photos, charts and drawings. Index.

AXUM What do you do when you 've discovered a secret that is likely to turn the world 's religions against each other, igniting a powder-keg of already simmering hostilities? For half a millennium that secret has lain in a journal hidden in the

highlands of Ethiopia, a legacy of the 1520 Portuguese expedition into the uncharted interior. The Portuguese had been searching for the fabled lands of Prester John of the Indies, but one of their number, Tristan Perreira, had found something far more momentous. In 1535, Tristan finds himself destined to lead the people of the city of Axum in a fight for survival against the invading Moors from the east, and most of all a fight to protect the sacred Ark of the Covenant. Nearly five hundred years later, the murder of a priest leads Tristan ' s descendant, Marco, on a desperate flight to save the journal and the explosive knowledge it contains. Marco is caught up with Claire McKinnon, a World Bank engineer, in an Ethiopia on the verge of war in the north and internal civil

instability in the capital. In strange parallels with Marco ' s ancestor, they find themselves on the run from the police through the harsh landscape of the Simien Mountains and the Danakil Desert, as they gradually learn the story and the fate that befell Marco ' s forebears. Even as they do this, their lives are threatened by other ruthless forces with links to the British Embassy and a modern Jihad resurgence from the east, threatening not just a diplomatic incident but something much more far-reaching. Like a Wilbur Smith with overtones of Dan Brown, " Axum " takes the reader through an exotic and unforgiving land in two adventures, linked across the centuries.
