This is a sequel to the superb Swim the Fly, but for once I've pretty much avoided spoilers in this review!. It's a welcome return for the trio of Matt, Sean and Cooper from the earlier book, but there's a significant difference, as Cooper - something of a zany sidekick in the original - takes centre stage here.Moving on from wanting to see a naked girl last year, this time his goal is to go ...

The boys from Swim the Fly by Don Calame are back! Beat the Band isn't exactly a sequel to Swim the Fly, but it does

have the same characters. Once I heard about Calame's second book I had to have it. While the first book by Calame was narrated by Matt, Beat the Band has Coop's tale to tell. Beat The Band (Swim the Fly) - Kindle edition by Calame ...

The hilarious friends from Swim the Fly are back in Don Calame's sequel, Beat the Band.However, Swim the Fly's narrator Matt takes a back seat as the wisecracking, often irritating Cooper narrates. Best friends Matt, Cooper and Sean are just beginning their sophomore year in high school as the story begins.

Beat the Band (Swim the Fly, #2) by Don Calame
Beat the Band is the school year after the summer in Swim the Fly, and Coop's dream this year is to score with the hotties like Prudence and her entourage (he frequently has fantasies...). Although this time his friends, Sean and Matt, are a lot more preoccupied, much to Coop's chagrin.
Amazon.com: Customer reviews: Beat The Band (Swim the Fly)
Swim the Fly was written from the perspective of Matt, who is one of the three boys whose exploits we hilariously follow. It is in this character's voice that the author/narrator tells the story. Beat the Band, is from the perspective of Coop and therefore it is in Coop's voice the story is told.

'Swim the Fly' is a raucous PG-13 comedy. Don Calame, a
screenwriter, serves up jokes and gross-outs in the style of
filmmakers like Judd Apatow... In the war between the sexes on the
young adult bookshelves, 'Swim the Fly' occupies the low ground of
offensive, knuckleheaded fun. Which is to say, boys will probably love
it. This one did.

**Book Review: Beat the Band (Swim the Fly #2) by Don
Calame**

It's not all that often the wisecracking buddy gets to be narrator,
but that's what happens in Calame's endearing follow-up to
Swim the Fly (2009). Fifteen-year-old Cooper's
nightmare—being paired with class pariah “Hot Dog Helen” for a
semester-long project—has one solution: get respect by winning
the school's Battle of the Bands.
