Mick fell in love with Wren at the worst possible time. She was in the midst of something wonderful, and then she wasn't. Her life changed in the blink of an eye. In this situation, it wasn't a change for the better. Jake: Katie Higgins was the first girl I ever loved. We spent one summer together at

Lake Fisher when we were sixteen and then I never saw her again. My life is shit, my job is gone, and my dad had a stroke, so I find myself back at Lake Fisher once again. And so does Katie. Her last name isn't Higgins anymore, because Katie is married with three kids and one more on the way, but when she shows up at Lake Fisher with her kids, danger trails her all the way there. I could do a lot of things. I could leave and go home. I could stay and deal with it. But what I want most of all is just to take care of Katie. If I concentrate on her, maybe I won't have to face my own problems. Yeah, that's it. Fix Katie. Katie: I haven't seen Jake in eighteen years, but the moment I lay eyes on him, I feel safer than I have in a very long time. Memories swamp me every time I look out over the clear, cool water. A first kiss. A first boyfriend. A first love. That old spark is still there. I just can't act on it, and neither can Jake. Our story started eighteen years ago, and then we both made lives with other people. Jake is willing to tell me about his, but I can't share mine with him. Ever. We can be friends and spend another summer together, right? Sure, we can. *Feels Like Home* Those Johnson Girls

Alexi Venice's second novel, "Svea's Sins," is a thriller about a 2018 terrorist plot against the United States with nerve gas and drones, perpetuated by a beautiful Swedish woman who partners with the Russian President Vadik Volkov. Venice amps up the action and sophistication in her second novel featuring the brilliant and broken Pepper McCallan, a consultant to the U.S. Counterterrorism Agency. Venice swiftly drives a complex plot that traverses the world, using science and technology that are easily within reach, leveraging the absence of drone regulation. In "Svea's Sins," Pepper McCallan doesn't expect to be needed so urgently by Brent Cahill while she and her husband Bill are island-hopping in the Caribbean in the fall of 2018. But Brent discovers he needs Pepper's help to thwart a terrorist plot on America that incorporates nerve gas, drones and sexual liaisons between world leaders. Venice stakes out her style by weaving romance into thriller terror plots. The reader gets to know Brent Cahill's character as he builds a relationship with the love of his

life, Jackie Starr, who is a high-powered CrossFit trainer, by taking her on a vacation to the island of St. Martin. Furthering their counterterrorism success, Brent Cahill and Pepper McCallan unnerve the stunning Swedish Minister for Foreign Affairs, Svea Lovgren, by confronting her at a formal ball in Stockholm. Brent and Pepper consider Svea's twisted motives by analyzing her sexual rendezvous with Russian President Vadik Volkov. As Pepper is drawn deeper into clandestine travel, her husband, Bill McCallan, resumes his career as an orthopedic surgeon at Southview Hospital in Minneapolis. Bill unexpectedly finds himself at the center of a large scale disaster at Southview Hospital that has Svea Lovgren's handprints on it. In this riveting second novel, Pepper continues to enhance her reputation in the Counterterrorism Agency with the President of the United States in a not-so-distant future that proves to be as sinister as it is sentimental. Alexi Venice hits her stride with hotter romance and bioterrorism plots in the third Pepper McCallan novel, "Victus, Part I of Margaret River Winery." It will be available in Winter 2015.

I had been called ruthless. Uncaring. A bitch. And more. I'd known from a very young age that I wasn't like other women. I'd never wanted a

husband and two-point-five children. I'd never wanted a white picket fence around a home that had to be baby-proofed. I'd never wanted a happily-ever-after. I was happy enough taking care of my sister, Lynn. Then the day came when Lynn didn't need to be taken care of anymore. She didn't need me. None of her "friends" needed me. I'd built this solitary life for myself and I liked it. Until I didn't. Then I met Will Clark. He needed help in his office, and I needed to be useful, so I let myself in. I walked right into his life and I turned it upside down. What started out as a fun part-time job turned into real feelings and real... dare I call it love? For a short time, Will made me forget that I wasn't suited to a normal life. He made me forget that marriage and family were not in my future. Then one day I was forced to remember. I had to make a choice. In the end, I had to choose to save him or save his ex-wife. Either way, there would be no one left to save me.
