I Kissed Dating Goodbye No Greater Joy Ministries

Can our heart delight in hard truths? Our dramatically secular culture promotes popular

preachers and soft approaches to moral absolutes. As a result, many professing Christians run dramatically toward the Jesus who fills us with bread in the form of money, cars, or our best life now. But at the very moment Jesus presents Himself as the Bread, we turn away, refusing to be satisfied with anything less than what our flesh can feel. What if we meditated on the sobering truths of God's Word instead of the pervasive feel-good musings that delight our flesh? What if, in so doing we returned to following the God who created us rather than the god we've created? "We've watched for decades as the culture has shifted away from moral absolutes. Many Christians in their attempt to push back against pervasive relativism have grown weary. We must not grow weary. Now is the time for the Church to double-down on what we believe

and now more than ever, we must stand on the hard truths found in the Word of God. Meeke understands the call of this hour and responds daily on the front lines of the culture war. The fight is far from over. As you read *Hard Truths*, you will be challenged, encouraged, and recharged for battle." -Tim Wildmon, President, American Family Association
Meeke Addison is a radio host and women's teacher. She and her husband co-host the morning show, *Airing the Addisons on Urban Family Talk*, a radio ministry of American Family Association. Isn't your desire to overeat really spiritual hunger? "I can stop in the middle of a candy bar and have no desire to eat the second half if my stomach is not calling for it." - Gwen Shamblin Do you eat and eat and never feel full? The Weigh Down Diet gives new hope to millions who have failed on conventional diets and guides readers to the richer satisfaction that comes not from food, but from faith. People who have known no end to their hunger and who have no control over their late-night binges have learned through the Weigh Down Workshop that they can remove the irresistible desire for food. This is not a diet like others, because it is not food-focused. It contains chapters such as "It's Not Genetics or Your Mother's Fault," "I Feel Hungry All the Time," and "How to Eat Potato Chips and Chocolate." So, as you can see, here is a very different approach to weight loss. Weigh Down gives back hope to dieters who will learn that God did

Excerpt from Beautiful Girlhood Every worthy book has a reason for its

true purpose and desire. Whether the writer does justice to his subject or fulfils his purpose, it is the liberty of others to judge; it is his joy, however, to know that his purpose was true and his efforts sincere. This little book is born of a desire to help and encourage our girls who are struggling with the problems that come up in teens. Youth has its problems, its heartaches, and disappointments. It is not always a smooth path to the perfection of womanhood.

Beautiful Girlhood Great Expectations

"It's two decades in the future, and a Christian college student named Ace Hartwick has just destroyed his neighbor's so-called "wife" -- actually a sexbot named Sally -- in a trash compactor. Soon, Ace will be on trial for murder. Unfortunately for Ace, everyone despises his kind of "radical" Christianity, and, in the fragile America of the future, all the juries are fixed." --
