In 1994 Michael and Debi Pearl published *To Train Up a Child*. The book has sold over 625,000 copies, becoming "the handbook on child training" for many families. The Pearls received so many child training questions in the mail that they began publishing a free bimonthly magazine to answer them--*No Greater Joy*. As the subscriptions grew into the tens of thousands, subscribers kept asking for back issues, thus the publication of *No Greater Joy* Volume One, Volume Two and Volume Three--each book representing about two years of articles from back issues of the magazine. If you have read *To Train Up a Child* and you have questions, chances are you will find the answers in *No Greater Joy* Volume One, Volume Two, or Volume Three.

Girls, you have more opportunities today than ever before. But whatever your dreams, a good life starts with a good character. Offering practical wisdom on the issues that every girl faces--all from a biblical perspective--*Beautiful Girlhood* will help you reach what it calls "the perfection of womanhood." Mabel Hale wrote more than a hundred years ago, but her message is truly timeless: every girl must consciously pursue godly character. In 33 short chapters, *Beautiful Girlhood* offers enduring wisdom for 10-14-year-olds, on topics such as character building obedience our speech truthfulness ambition purpose the value of reading responsibility and much more As the author says, "Youth has its problems, its heartaches, and disappointments. It is not always a smooth path to the perfection of womanhood. If what I have written should help some girl to a nobler life and truer ideals, then I shall feel that it has accomplished the task I have set for it to do."

The regrettable fact is that the subject of manners is not much discussed anymore, and good manners seem practiced even less. But good manners are a prerequisite for the growth of moral character; they are the habits of conduct and behavior by which we express in the most ordinary circumstances our fundamental respect for others, whether parents, friends, colleagues, or strangers. Fortunately, Karen Santorum has produced for parents and teachers a wonderfully rich and instructive anthology to help instill good manners in our children—and stand against a decline of civility and a coarsening of our common life. Under such headings as “Honor Your Mother and Father,” “Please and Thank You,” “No Hurtful Words,” “Good Behavior in Sport,” and “Showing Respect for Country,” *Everyday Graces* features stories and poems that will develop and enrich the moral imagination. This marvelous anthology features classic selections from such well-known authors as Hans Christian Anderson, Beatrix Potter, Mark Twain, Frances Hodgson

Burnett, C. S. Lewis, Max Lucado, and Arnold Lobel, as well as forgotten gems that deserve a new hearing. Mrs. Santorum writes that this anthology grew out of the frustration of not being able to find a book on manners that instructs through stories rather than by rules of dos and don'ts. She and her husband tried and tested many of these selections on their six children. Each of the selections is briefly introduced with a thoughtful commentary at the close, producing an informality and intimacy that is inviting and infectious. Find out why Everyday Graces has become a beloved feature in homes, schools, churches, and libraries across America.

"Modern culture seems addicted to ease and entertainment. It has produced a generation of educated yet often dishonest, unproductive, and weak-willed men. God desires higher standards for His people. He is looking for young men who do not shy away from hard work, who are not afraid to get their hands dirty, who can follow directions, think creatively, respect authority, and happily complete their duties in a timely manner. These are the ones He is training up to be future fathers, teachers, and Leaders. 'Created for Work' inspires young men and offers the tools and encouragement they need to embrace God's ways and always give an honest day's work"--Page 4 of cover.

Written by the founders of Generations of Virtue (various women and teenagers), this set of booklets is specifically designed to help guide girls and their mothers through the passage from girlhood to womanhood. These books focus on the first period and explore the idea that women are blessed with God's gift to be able to give life. Our culture has made a woman's period out to be a burden, but our desire is to communicate the wonder of God's creation and celebrate the positive aspects of womanhood, not the negatives. *Women's Wisdom: A Mother's Guide*- Are you anxious about your daughter starting her period? Generations of Virtue has compiled a wonderful resource for mothers to lovingly guide their daughters into womanhood. This book contains ideas on how to celebrate with your daughter, an informative section on the biology behind women's bodies, how and when to tell your daughter about her period, and some of the surprises associated with a developing daughter (for instance, mood swings). This biblically-focused book can help every mother explain some of the intricacies of womanhood to her precious girl. This book is for Mothers of preteen girls.

They're hallmarks of childhood. The endless "why" questions. The desire to touch and taste everything. The curiosity and the observations. It can't be denied-children have an inherent desire to know. Teachers and parents can either encourage this natural inquisitiveness or squelch it. There is joy in the classroom when children learn-not to take a test, not to get a grade, not to compete with each other, and not to please their parents or their

teachers-but because they want to know about the world around them! Both Christian educators and parents will find proven help in creating a positive learning atmosphere through methods pioneered by Charlotte Mason that show how to develop a child's natural love of learning. The professional educators, administrators, and Mason supporters contributing to this volume give useful applications that work in a variety of educational settings, from Christian schools to homeschools. A practical follow-up to Crossway's *For the Children's Sake*, this book follows a tradition of giving serious thought to what education is, so that children will be learning for life and for everlasting life.
