Weaving a tapestry of fact and fiction, Sara Donati ' s epic novel sweeps us into another time and place . . . and into a breathtaking story of love and survival in a land of savage beauty. It is December of 1792. Elizabeth Middleton leaves her comfortable English estate to join her family in a remote New York mountain village. It is a place unlike any she has ever experienced. And she meets a man unlike any she has ever encountered—a white man dressed like a Native American: Nathaniel Bonner, known to the Mohawk people as Between-Two-Lives. Determined to provide schooling for all the children of the village, Elizabeth soon finds herself locked in conflict with the local slave owners as well as with her own family. Interweaving the fate of the Mohawk Nation with the destiny of two lovers, Sara Donati ' s compelling novel creates

a complex, profound, passionate portait of an emerging America. Praise for Into the Wilderness “ My favorite kind of book is the sort you live in, rather than read. Into the Wilderness is one of those rare stories that let you breathe the air of another time, and leave your footprints on the snow of a wild, strange place. I can think of no better adventure than to explore the wilderness in the company of such engaging and independent lovers as Elizabeth and her Nathaniel. ” —Diana Gabaldon “ Each time you open a book you hope to discover a story that will make your spirit of adventure and romance sing. This book delivers on that promise. ” —Amanda Quick “ A beautiful tale of both romance and survival...Here is the beauty as well as the savagery of the wilderness and, at the core of it all, the compelling story of the love of a man and a woman, both for the untamed land and for one another. ” —Allan W. Eckert “ Lushly written . . . Exemplary historical fiction. ” —Kirkus Reviews “ Epic in scope, emotionally intense. ” —BookPage

An inspiring history of communal knitting events—from circles to online meet-ups to socially conscious knit-ins. Includes 20 projects. The immensely popular

knitalong—an organized event where people knit together for a common goal—has only grown with the explosion of the Internet. Yesterday's wartime Red Cross sock drives have evolved into today's meet-ups at locales as diverse as cafes, state fairs, and major league ballparks, as well as international online gatherings; in fact, at any given time tens of thousands of people worldwide are involved in knitalongs, organized around a particular yarn, a favorite social cause, an intriguing project, a special event, or myriad other themes. Authors Larissa Brown and Martin John Brown present an inspiring look at centuries of people knitting together, and why knitters find the interaction so meaningful and worthwhile. Along the way, they offer 20 projects especially suited for different types of knitalongs. The Barn Raising Quilt and the Traveling Scarf, for instance, call on individual knitters to collaborate on a single project; while the Pinwheel Blanket and the Meathead Hat encourage a community of knitters to improvise on the same pattern to come up with a variety of results. Also included is essential information about finding, joining, and starting knitalongs. Hundreds of knitters participated in the knitalongs hosted by the authors as part of their research, and this book will inspire thousands more to get involved in the knitalong movement. The only book that celebrates this tradition of community and purpose, Knitalong is sure to have a powerful impact.
