The Billionaire Next Door

This isn't your kid's fairy tale, and I'm no ordinary

beast. Years of killing in the military have hardened me, scarred me, making it impossible to give a sh\$t about relationships. Then comes along Belle Fontaine. The innocent virgin daughter of the man whose company I want to buy. She's twenty-four and drop dead fu@king gorgeous. I

always say love at first sight is for pansies, but she has me second guessing that. My c@ck stands to salute her the moment she walks into my office. Purchasing her father's company is more of a mercy buy for me, but she tries to get more than it's worth. Wrong move. Now, I will make it... hard... for her. The only way I will buy the company is if she agrees to come to my private island for one month. I'm sure she's heard the rumors about my secret room. I can sense her fear and desire. Whips and chains aren't the only secrets she'll discover. This dirty fairy

tale will keep you warm tonight
and the beast will surely win
over the beauty.

Folks in town call
him a monster—say
he's dangerous. But I
know him simply as
Elijah Hays, the
quiet, gentle giant
who works with the
horses on my ranch. I
can feel him watching

me, that steady,
intense gaze making
me crave things I
don't quite
understand, burn in a
way that frightens
me. He's always kept
his distance...until
that night. I
remember him coming
to my rescue, me
following him into
the barn, giving him
his first taste of a
woman, and his
inexperienced yet
barely reined touch
turning me to ash.
Now all I can think

about is exposing the
dark desire I see
deep inside
him—having him turn
those dark desires on
me. That low, gritty
voice rasping orders
in my ear. Those
huge, rough hands
holding me down when
a storm blows in. I
want his surrender.
His control. I want
to break him...and
have him break me...

In this all-new novella in the
New York Times bestselling
series, Hunter and Gretchen

are finally tying the knot—but their wedding may not be the easy fairy tale they've dreamed of... Someone's out to ruin Gretchen's happy-ever-after on the eve before the big day. Can she trust Hunter, the man she's given her heart to? And can she rely on her sister Daphne (the least reliable person of all!) to help her salvage things? Or is this marriage going to go down in flames before Gretchen and Hunter ever get to the altar? Includes a sneak peek of *Dirty Money*, first in Clare's brand new

Roughneck Billionaires series. *Praise for the Billionaire Boys Club Novels* "Blazing hot." —USA Today "A fast, sexy read." —Fiction Vixen "Great storytelling...delightful reading...It's fun and oh so hot." —Kirkus Reviews *The Billionaire Takes A Bride: Billionaires And Bridesmaids 3* *Beauty and the Billionaire: The Wedding* "Thomas Goldstone. A man of billion dollar deals in custom-tailored suits, he demands more than your best. He's scary. Driven. Haunted by inner demons that have taken

him to the brink. But beneath the arrogant, controlling facade lies a heart of gold. It makes me want to solve him one growly, messy piece at a time. To be the only one who sees the truth of the man. But I'm . . . me. A pink-haired, anime-loving, data-crunching geek with an office in the basement of Goldstone HQ. My chances with the big boss? Statistically insignificant. His burning gaze and clenched jaw say otherwise though. Gives me hope and ignites a flame so hot my glasses fog up. I shouldn't mix business with pleasure. Shouldn't tempt the

beast upstairs. Shouldn't keep wondering . . . Do fairy tales really come true?" --

In this inclusive, illustrated history and guide to skin care and beauty, journalist and founder of Very Good Light David Yi teaches us that self-care, wellness, and feeling beautiful transcends time, boundaries, and binaries—and that pretty boys can change the world. Chanel and Goop might have seemed ahead of the curve when they launched their men's beauty and wellness lines, but pharaohs were exfoliating, moisturizing, and masking eons earlier. Thousands of

years before Harry Styles strutted down the red carpet with multicolored fingernails, Babylonian army officials had their own personal manicure sets. And BTS might have become an international sensation for their smoky eyes and perfect pouts, but the Korean Hwarang warriors who put on a full face before battle preceded them by centuries. Pretty Boys unearths diverse and surprising beauty icons who have redefined what masculinity and gender expression look like

throughout history, to empower us to live and look our truths. Whether you're brand new to beauty, or you already have a ten-step routine, Pretty Boys will inspire and teach you how to find your best self through tutorials, beauty secrets, and advice from the biggest names in the beauty industry, Hollywood, and social media. From Frank Ocean's skin-care routine to Clark Gable's perfectly styled hair, Rami Malek's subtle eyeliner to a face beat to the gods à la Boy George or

Kimchi the drag queen, K-Beauty to clean beauty, Pretty Boys will completely change the way we all see gender expression and identity.
