What I love most is that while Libba Bray's message about beauty being of no real importance is obvious, she also works to show the reader how that doesn't mean there's anything wrong with a girl wanting to look nice.

---

Libba Bray is best known for her hit Beauty Queens. This novel shows how multiple pageant girls react after crashing on an island. This novel is more than just sex scenes and girly airheads. This book shows how teen girls find more than just a way off the island, but they actually find themselves.

Libba Bray deserves an award for giving each character a unique voice. Each state represented in this book is highlighted by taking for example slang used in Texas into the character Taylor from the lone star state. In addition the book is not a simple Youth book, it makes fun of beauty queens, IQ, and chick-lit. How this could or can be seen as a book for young teens is beyond me. It is ...
