It's Just a Jump to the Left Little, Brown Books for Young Readers

In this thrilling sequel, Gemma continues to pursue her destiny to bind the magic of the Realms and restore it to the Order. Gemma and her friends from Spence use magical power to transport themselves on visits from their corseted world of Victorian London (at the height of the Christmas season), to the visionary country of the Realms, with its strange beauty and menace. There they search for the lost Temple, the key to Gemma's mission, and comfort Pippa, their friend who has been left behind in the Realms. After these visits they bring back magical power for a short time to use in their own world. Meanwhile, Gemma is torn between her attraction to the exotic Kartik, the messenger from the opposing forces of the Rakshana, and the handsome but clueless Simon, a young man of good family who is courting her. This is the second book in Libba Bray's engrossing trilogy, set in a time of strict morality and barely repressed sensuality, about a girl who saw another way.

Ruby said I'd never drown—not in deep ocean, not by shipwreck, not even by falling drunk into someone's bottomless backyard pool. It sounded impossible, something no one would believe if anyone other than Ruby were the one to tell it. But Ruby was right: The body found that night wouldn't be, couldn't be mine. Chloe's older sister, Ruby, is the girl everyone looks to and longs for, who can't be captured or caged. After a night with Ruby's friends goes horribly wrong and Chloe discovers the dead body of her classmate London Hayes floating in the reservoir, Chloe is sent away—away from home, away from Ruby. But Ruby will do

anything to get her sister back, and when Chloe returns home at last, she finds a precarious and deadly balance waiting for her. As Chloe flirts with the truth that Ruby has hidden deeply away, the fragile line between life and death is redrawn by the complex bonds of sisterhood. *Imaginary Girls* is a masterfully distorted vision of family with twists that beg for their secrets to be kept.

A thrilling, thought-provoking novel from one of young-adult literature's boldest new talents. January 29, 2035. That's the day the comet is scheduled to hit—the big one. Denise and her mother and sister, Iris, have been assigned to a temporary shelter outside their hometown of Amsterdam to wait out the blast, but Iris is nowhere to be found, and at the rate Denise's drug-addicted mother is going, they'll never reach the shelter in time. A last-minute meeting leads them to something better than a temporary shelter—a generation ship, scheduled to leave Earth behind to colonize new worlds after the comet hits. But everyone on the ship has been chosen because of their usefulness. Denise is autistic and fears that she'll never be allowed to stay. Can she obtain a spot before the ship takes flight? What about her mother and sister? When the future of the human race is at stake, whose lives matter most?

What's it like to see your friend transformed into a raven before your very eyes, and to know it's your turn next? How does it feel to morph into a manta ray or slide into the body of a snake? This is what happens to Miranda, Semi and Arnie, three friends who are the sole survivors of a plane crash. They find themselves on a tropical island of azure waters and white sands. But beyond the palm-fringed beaches lies the hospital run by the sinister Dr Franklin, and the three teenagers are about to become his next patients. Perfect candidates for his experiments in genetic engineering. . . A horrifying, fascinating story that is Ann Halam's most unusual and challenging novel so far.

On the Edge of Gone Harper Collins

From bestselling, Printz Award-winning author Libba Bray, the story of a plane of beauty pageant contestants that crashes on a desert island. Teen beauty queens. A "Lost"-like island. Mysteries and dangers. No access to email. And the spirit of fierce, feral competition that lives underground

in girls, a savage brutality that can only be revealed by a journey into the heart of non-exfoliated darkness. Oh, the horror, the horror! Only funnier. With evening gowns. And a body count.

Lair of Dreams Abrams

The first book in this thrilling, terrifying series by New York Times bestselling author Barry Lyga is perfect for fans of *Dexter*. It was a beautiful day. It was a beautiful field. Except for the body. Jazz is a likable teenager. A charmer, some might say. But he's also the son of the world's most infamous serial killer, and for *Dear Old Dad*, "Take Your Son to Work Day" was year-round. Jazz has witnessed crime scenes the way cops wish they could--from the criminals' point of view. And now, even though Dad has been in jail for years, bodies are piling up in the sleepy town of Lobo's Nod. Again. In an effort to prove murder doesn't run in the family, Jazz joins the police in the hunt for this new serial killer. But Jazz has a secret--could he be more like his father than anyone knows? From acclaimed author Barry Lyga comes a riveting thriller about a teenager trying to control his own destiny in the face of overwhelming odds.

The New York Times bestseller, written by a

former reporter for ABC News, that People magazine called "a transporting, enlightening book" tells the story of a fearless young entrepreneur who brought hope to the lives of dozens of women in war-torn Afghanistan. Former ABC journalist Gayle Tzemach Lemmon tells the riveting true story of Kamila Sidiqi and other women of Afghanistan in the wake of the Taliban's fearful rise to power. In what Greg Mortenson, author of *Three Cups of Tea*, calls "one of the most inspiring books I have ever read," Lemmon recounts with novelistic vividness the true story of a fearless young woman who not only reinvented herself as an entrepreneur to save her family but, in the face of ferocious opposition, brought hope to the lives of dozens of women in war-torn Kabul.

Rebel Angels HarperCollins

A brush with the supernatural? A rock concert? A reunion? A poolside revelation? The need to know what's up? The confessions of a friend? The dream of escape? A sick pet? An English assignment? The rear-window view of a murder next door? The search for the mother you never met? What keeps you up all night?

The Diviners Allen & Unwin

Discover New York Times bestseller Samira Ahmed's romantic, sweeping adventure through the streets of Paris told in alternating narratives that bridge centuries, continents, and the lives of two young Muslim women fighting to write their own stories. Smash the patriarchy. Eat all the pastries. It's August in Paris and 17-year-old Khayyam Maquet—American, French, Indian, Muslim—is at a crossroads.

This holiday with her parents should be a dream trip for the budding art historian. But her maybe-ex-boyfriend is ghosting her, she might have just blown her chance at getting into her dream college, and now all she really wants is to be back home in Chicago figuring out her messy life instead of brooding in the City of Light. Two hundred years before Khayyam's summer of discontent, Leila is struggling to survive and keep her true love hidden from the Pasha who has "gifted" her with favored status in his harem. In the present day—and with the company of Alex, a très charmant teen descendant of Alexandre Dumas—Khayyam searches for a rumored lost painting, uncovering a connection between Leila and Alexandre Dumas, Eugène Delacroix, and Lord Byron that may have been erased from history. Echoing across centuries, Leila and Khayyam's lives intertwine, and as one woman's long-forgotten life is uncovered, another's is transformed.

Notes from My Captivity Harper Collins

Mother-daughter book clubs are a great way to encourage reading, bonding, and socializing among mothers, daughters, and their friends. But these clubs can do more than that, suggests educational psychologist and parenting coach Lori Day. They can create a safe and empowering haven where girls can freely discuss and navigate issues surrounding girlhood. In *Her Next Chapter*, Day draws from experiences in her own club and her expertise as an educator to offer a timely and inspiring take on mother-daughter book clubs. She provides overviews of eight of the biggest challenges facing girls today, such as negative body image, bullying, gender stereotypes, media sexualization, unhealthy relationships, and more, while weaving in carefully chosen book, movie, and media recommendations; thoughtful discussion questions; and group activities and outings that extend and enrich conversations and make clubs fun. *Her Next Chapter* outlines how mothers can use the magic of books to build girls' confidence and sense of

possibility as leaders, allies, and agents of change. A list of further resources and reflections and observations from Day's now-adult daughter, Charlotte, round out this indispensable resource for anyone who cares about, teaches, or works with girls.
