Becoming a Man: Half a Life Story by Paul Monette

BECOMING A MAN is about growing up gay, and about the tyranny and self denial of the closet - one man's struggle, for half his life, to come out. From the white-bread 1950's through the rebellious 1960's to the self-creating 1970's and beyond, it forms a passionately honest and unsparing account of the tortures of living a lie, a naked protrait of one man's fight for freedom in a time of ignorance and bigotry.
