A resonant leader is attuned to others feelings and helps move people in a positive emotional direction. A resonant leader creates positive emotions in people when they speak authentically because a resonant leader speaker forms their own values and emotions. In the workplace, a resonant leader will tend to create a positive environment for the ...

**Becoming a Resonant Leader: Develop Your Emotional ...**

Resonant leaders use their emotional and social competence to become resonant. With that resonance, they become supporters and inspirers of change. They invest the time in helping those they lead discover their ideal self and understand the ideal of the department or organization. As those they lead pursue the ideal, they are supported by their ...
