From the bestselling authors of Last Hit comes the next in the steamy series that explores the exquisite power of our darkest passions . . . Regan: I never really knew what misery was until the day I was kidnapped and sold for being in the wrong place at the wrong time. Two months later, I'm at a brothel in Rio when I meet Daniel Hays. He says he's here to save me, but can I trust him? All I know of him are his sarcastic retorts and his tendency to solve every dispute with his gun. He's also the only safe thing in my world, and I know it's wrong to fall in love with him, but I can't seem to help myself. He says he'll protect me until his last breath, but I don't know if I should believe him or even if I can. Daniel: For the last eighteen months, one goal has dictated every action I've taken. I've left the Army, turned paid hit man, and befriended criminals all across the globe to find my kidnapped sister. In every brothel I raid and every human trafficking truck I stop, I hope the next face I find is my sister's. In a hidden brothel in Rio, I find Regan Porter, bruised but not broken, and still sane despite her weeks in captivity. I should leave her behind or send her home, because the last thing either of us needs right now is to get involved. But with every passing minute, I find I'm less able to let her go. **MATURE AUDIENCE**

Boone Price and his brothers know oil; at least, the dirty, backbreaking side of working an oil rig. But when their scrubby, worthless hunting land turns out to be sitting on top of one of the biggest oil wells in

North America, they go from the rig to the boardroom and end up billionaires practically overnight. Now with enough money to do whatever he wants, Boone is developing a taste for fine things. And the finest thing he's ever seen is Ivy Smithfield, local realtor. Boone's determined to win her affection and show the world that he's more than just a dirty fool with a bit of money. Ivy's classy and beautiful—she'll make the perfect trophy wife. The fact that she's sexy and funny is just a bonus. There's one tiny problem—Ivy's as dirt poor as Boone was. Her carefully crafted veneer of luxury? All an act to promote her business. What's Boone going to do when he finds out the woman he's falling for is, well, in his league?

Go Hex Yourself Penguin Group Australia

A time-travel story that is both a poignant exploration of human identity and an absorbing tale of suspense. It's natural to feel a little out of place when you're the new girl, but when Charlotte Makepeace wakes up after her first night at boarding school, she's baffled: everyone thinks she's a girl called Clare Mobley, and even more shockingly, it seems she has traveled forty years back in time to 1918. In the months to follow, Charlotte wakes alternately in her own time and in Clare's. And instead of having only one new set of rules to learn, she also has to contend with the unprecedented strangeness of being an entirely new person in an era she knows nothing about. Her teachers think she's slow, the other girls find her odd, and, as she spends more and more time in 1918, Charlotte starts to wonder if she remembers how to be Charlotte at all. If she doesn't figure out some way to get back to the world she knows before the end of the term, she might never have another chance.

The Virgin's Guide to Misbehaving Jessica Sorensen

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Dear Jackson, I'm leaving you this note because I know you're very busy and I don't want to waste the town sheriff's time. Lord knows I've already wasted enough of it. Thank you for taking me home last night and...everything else. I made you a basket of wild blueberry muffins for your trouble. That seemed like the appropriate baked good for getting naked

in your living room. I wasn't myself last night. I didn't mean to kiss you or fondle your backside or ask all those intimate questions. Thank you for pretending to enjoy it. It was very noble of you to sleep on the couch while I was starfished on your bed. I couldn't help but notice it's quite large. The bed, that is. I swear, I didn't notice anything else when I let myself out this morning. As you know, Talbott's Cove is a ridiculously small town and there's no chance we can avoid each other. Not that I'd want to avoid you, of course, but I'm not sure I can look at you without thinking of the forty different ways I made a fool of myself. Instead of avoidance, let's try to be friends. We'll forget all about last night...if that's what you want. Please burn this note after you read it—Annette p.s. I whipped up some cinnamon buns, too. Please enjoy them. I'm not sure why, but I couldn't get buns out of my mind today.
