[X-Plane 11](#)

The Beechcraft® King Air® 350i surpasses its

predecessor's high-caliber performance with more payload capability and range, a quieter interior with standard Wi-Fi, and Pro Line Fusion™ avionics with full touch-screen simplicity. The King Air is the world's most popular business turboprop aircraft – a title never simply granted, but earned again and again with continuous enhancement ...

Textron Aviation | Illustrated Parts Catalogs

Beechcraft King Air. The King Air series offers flexible, reconfigurable interiors, making them equally adept at accommodating passengers, cargo, air ambulance or other missions. It's no surprise organizations choose Beechcraft to transport their important personnel and cargo – no matter where they fly.
