Martial Arts Teachers on Teaching Tuttle Publishing
Kendo is the first in-depth historical, cultural, and political account in English of the Japanese martial art of swordsmanship, from its beginnings in military training and arcane medieval schools to its widespread practice as a global sport today. Alexander Bennett shows how kendo evolved through a recurring process of "inventing tradition," which served the changing ideologies and needs of Japanese warriors and governments over the course of history. Kendo follows the development of Japanese swordsmanship from the aristocratic-aesthetic pretensions of medieval warriors in the Muromachi period, to the samurai elitism of the Edo regime, and then to the nostalgic patriotism of the Meiji state. Kendo was later influenced in the 1930s and 1940s by ultranationalist militarists and ultimately by the postwar government, which sought a gentler form of nationalism to rekindle appreciation of traditional culture among Japan's youth and to garner international prestige as an instrument of "soft power." Today kendo is becoming increasingly popular internationally. But even as new organizations and clubs form around the world, cultural exclusiveness continues to play a role in kendo's ongoing evolution, as the sport remains closely linked to Japan's sense of collective identity.

Connecting communities and promoting health Rethink Press Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Issued also separately.

The Food Lab: Better Home Cooking Through Science Kendo Guide for Beginners
A Kendo Instruction Book Written by A Japanese with More Than 18 Years of Experience Instructing Non-Japanese Kendo Enthusiasts Gives You Solutions to the Problems That Non-Japanese Kendo Practitioners Suffer From
Kendo Guide for Beginners is a book written to guide kendo beginners. The book introduces what real kendo equipment is, the concept of kendo as budo, how to behave at training, etiquette and manners and all the basic movements that beginners should learn thoroughly. Along with many pictures of the kendo basics, the detailed explanations will help you understand what you should or should not do when learning the basics. When learning kendo movements it is always helpful if you actually see what you have to do or not to do. And it is important for you to visualize the correct movements. With the pictures and detailed explanations, it makes it easy for you to review what you learned at your dojo. Practicing at the dojo and home, you will improve your basics your kendo correctly and quickly. This is a great advantage because by acquiring the good basics, you can move on to the next step easily; putting a set of armor on. With your solid basics, you will have fewer difficulties when you get a set of armor. That's why all the kendo people tell you to learn the basics

thoroughly. You can learn the reasons behind the etiquette/manners in detail with this book. And if you learn the etiquette/manners in detail, you are also learning Japanese culture too. Even though the Japanese society is modernized, a lot of the etiquette/manners are still following the rules of the samurai era. By knowing the etiquette and manners, you will be able to understand what's going on at the dojo easily. And more importantly, you will NOT offend other people, especially Japanese people because of a lack of the knowledge. Since the book is written by a Japanese person, all the kendo terms are correctly spelled, so you will learn correct kendo terms. With this book, you can learn all you have to know at the beginning of kendo as a beginner and it makes your kendo life a lot easier.
KendoA Comprehensive Guide to Japanese Swordsmanship
One fan's collection of articles about the greatest manga of our time.
Library Journal One World
Nakamura Taisaburo's landmark book on the art of the sword includes technical information, thoughtful analysis, and fascinating recollections of his own training and teaching. One of the most famous Japanese swordsmen of the twentieth century, Nakamura sensei is widely acknowledged as the preeminent reinvigorator of the practice of tameshigiri (test cutting) as a test of technical and spiritual mastery. The Spirit of the Sword--first published in Japanese in 1980, now translated into English for the first time--is regarded by many as the most complete of Nakamura's writings on Japanese swordsmanship. Here Nakamura instructs the reader on the integration of iaido, kendo, and tameshigiri; the correct mental approach to sword practice; training methods; numerous kata or forms; a guide to sword maintenance; and historical notes on the use of the sword as a weapon. Illustrated with over 800 original photographs, this book is a must-have for any student of the Japanese sword and an excellent resource for sword enthusiasts in general.

California Press

A translation and reproduction of a Japanese book about Bojutsu. Matsumoto Torata developed this system of Bojutsu (fighting with a staff) in the 1920s. He intended this system to be used in Junior High Schools as well as by people in the community as a method of self-defense. His training methodology likely originated with the Shingyoto Muto Ryu school of martial arts. First time in English.

#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series Tidying Up with Marie Kondo: the original guide to decluttering your home once and for all. ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you 'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo 's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

Be careful what you wish for! For fans of slow building, character driven, intense and compelling psychological thrillers. A self-obsessed Japanese icon appears to have a perfect life. Fame, fortune, and a celebrity marriage... but all is not as it seems. Yayoi wears her glamor like a mask. There are dark corners of her life she wants to hide from her many fans. An abusive husband, an oppressive recording contract with J-BIG Corp, a company controlled by her husband's family that is crushing her creativity. Then there are all her memories of a life swept away by a tsunami. While in New Zealand to film a music video, she is surprised by her estranged husband Nori, who without warning appears at her hotel and assaults her. On the run from both Nori and J-BIG, she meets Bill, a young corporate attorney recently made redundant, who plans to revisit his past in the hope he can heal old wounds and reshape his future. Although from two very different worlds, they find themselves falling for each other, both unaware of the extreme measures Nori will take to get Yayoi to return to Japan with him. The Girl With Two Names is set in urban Japan and the raw backwoods of New Zealand. NB : the book, as stated above, is a psychological thriller. You are being purposefully placed in the head of a heroine with strong personality flaws that do have severe outcomes for those who allow her into their lives. This is an

important aspect of the story. _____ Four out of four stars! - Official Review, Online Book Club
[Kendo Guide for Beginners](#) Tuttle Publishing
Whether you are a kendo fanatic or merely curious about the martial arts, this book will interest you. The author, Geoff Salmon, has taken the lessons learned over his 45 year kendo career and distilled them into a series of instructive, thought-provoking articles covering kendo training methods and techniques, as well as the attitudes and philosophies that make kendo a lifetime's pursuit for many people. It highlights some of the differences between kendo training in Japan and other parts of the globe and also includes some light-hearted commentary on this martial sport. At the core of this book are the direct teachings of some of the great 2nd and 3rd generation kendo teachers, which have been either reproduced or paraphrased by the author. Salmon also uses his own experience to guide readers towards developing correct, efficient kendo. Geoff Salmon holds the grade of 7th Dan and is one of the few westerners to have passed the new All Japan Kendo Federation kyoshi examination. He has lived and trained in Japan and has devoted 45 years to the study of kendo. Geoff teaches kendo internationally and writes about the art at www.kendoinfo.net; he is also the author of 'Kendo, A Comprehensive Guide to Japanese Swordsmanship'.

To the Japanese, the sword is a spiritual weapon. It possesses a particular divinity, reflecting the soul of its maker, owner, and user. Around its mystical powers has grown the centuries-old ritual and practice of Samurai swordsmanship which is still avidly practiced today as is a fascinating and intricate martial art. This unique guide unlocks all the mysteries of the ancient tradition of Iaijutsu—explaining the history and significance of the sword in Samurai culture and documenting the techniques of swordsmanship as found in no other martial arts book. Darrell Max Craig is one of the foremost teachers of Kendo in the West. He spent many years in Japan competing and training at the very highest level. His book, *Drawing the Samurai Sword*, provides a thorough examination of all aspects of Iaijutsu—including information on sword care and selection, necessary gear, sword and dojo etiquette, and useful drills for practice and demonstration. This book also teaches readers about: How to evaluate your Samurai sword and handle it safely How to wear the traditional Hakama uniform How to perform the Kata forms to hone your technique The brutal history of sword testing, and today's more humane equivalent The classic and exciting story of "The Forty-Seven Ronin" And much more! Featuring a new preface by the author, original color photos and added information about sword testing, this generously-illustrated book is a treasure trove of information for aspiring students and experienced practitioners alike.

Interests, Activities and Publications of Trade Associations, Scientific and Technical Societies, Professional Institutes, Learned Societies, Research Organisation, Chambers of Trade and Commerce, Agricultural Societies, Trade Unions, Cultural, Sports and Welfare Organisations in the United Kingdom and in the Republic of Ireland Frog Books Master the art of Kendo—Japanese Swordsmanship with this illustrated and comprehensive martial arts guide. Kendo or the "Way of the Sword" holds a special place within the martial arts as one of the few practices tracing back directly to Japan's ancient samurai heritage. Modern students flock to kendo for physically—and mentally—challenging activity that combines traditional martial arts values with strenuous physical activity. Author Geoff Salmon has over 40 years of kendo experience gained in and outside of Japan. His goal in this kendo guide is to dispel many misconceptions about the sport and to make kendo training accessible and practical for anyone. His simple, straightforward writing style is especially helpful for beginning students and martial artists from other disciplines who wish to add kendo training to their repertoire. The core of this kendo book is a series of detailed instructional sequences demonstrating the basic kendo techniques. The author also presents the fundamental principles and philosophy that make kendo as much an exercise of the mind as of the sword. For many adherents, the goal is to train your mind to achieve a state of mushin (no-mind). Beyond that, this book also shows you how to win competitions and integrate kendo into your fitness routines. This is the first book to decidedly link the philosophical and mental elements of kendo to the physical techniques, thereby enabling readers to gain a holistic understanding of the martial art. It offers a comprehensive training program similar to those given by leading kendo teachers in Japan, past and present.

#1 NEW YORK TIMES BESTSELLER • From the National Book Award – winning author of *Stamped from the Beginning* comes a

“groundbreaking” (Time) approach to understanding and uprooting racism and inequality in our society—and in ourselves. “The most courageous book to date on the problem of race in the Western mind.” —The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • NPR • The Washington Post • Shelf Awareness • Library Journal • Publishers Weekly

• Kirkus Reviews Antiracism is a transformative concept that reorients and reenergizes the conversation about racism—and, even more fundamentally, points us toward liberating new ways of thinking about ourselves and each other. At its core, racism is a powerful system that creates false hierarchies of human value; its warped logic extends beyond race, from the way we regard people of different ethnicities or skin colors to the way we treat people of different sexes, gender identities, and body types. Racism intersects with class and culture and geography and even changes the way we see and value ourselves. In *How to Be an Antiracist*, Kendi takes readers through a widening circle of antiracist ideas—from the most basic concepts to visionary possibilities—that will help readers see all forms of racism clearly, understand their poisonous consequences, and work to oppose them in our systems and in ourselves. Kendi weaves an electrifying combination of ethics, history, law, and science with his own personal story of awakening to antiracism. This is an essential work for anyone who wants to go beyond the awareness of racism to the next step: contributing to the formation of a just and equitable society. Praise for *How to Be an Antiracist* “Ibram X. Kendi’s new book, *How to Be an Antiracist*, couldn’t come at a better time. . . . Kendi has gifted us with a book that is not only an essential instruction manual but also a memoir of the author’s own path from anti-black racism to anti-white racism and, finally, to antiracism. . . . *How to Be an Antiracist* gives us a clear and compelling way to approach, as Kendi puts it in his introduction, ‘the basic struggle we’re all in, the struggle to be fully human and to see that others are fully human.’ ” —NPR “Kendi dissects why in a society where so few people consider themselves to be racist the divisions and inequalities of racism remain so prevalent. *How to Be an Antiracist* punctures the myths of a post-

racial America, examining what racism really is—and what we should do about it.” —Time

Japan The Ultimate Samurai Guide Tuttle Publishing

This volume offers an intriguing look into the world of late medieval martial arts, from wrestling to swordsmanship and to the subtle tricks that could be employed when jousting on horseback. Using exceptional pen drawings (with gold leaf highlights) the book features some of the most interesting abstracts from *Fior di Battaglia* (The Flower of Battle), a manuscript by the renowned Italian fencing master Fiore dei Liberi depicting the knightly arts of fighting. The copy in the collection of the J. Paul Getty Museum, created in the early 15th-century, is the finest and most complete manuscript to survive. Offering detailed visual documentation of Fiore's techniques coupled with the author's genius for explaining sophisticated methods of offense and defence, the manuscript provides a comprehensive record of the skills by which men lived and died in the Middle Ages.

The Japanese Art of Decluttering and Organizing Tuttle Publishing

This is a fully illustrated guide to the art, craft and design of bamboo, as demonstrated by the Japanese. It demonstrates how to use inexpensive materials to create sophisticated effects in the home and garden. A list of bamboo collections, gardens and research sources is included. For centuries, bamboo has fascinated legions of craftspeople, plant lovers and devotees of the handcrafted object. And nowhere is bamboo used more elegantly and distinctly than in Japan. Its presence touches every part of daily life—art, crafts, design, literature, and food. Its beauty Publication of the Association of College and Research Libraries, a Division of the American Library Association John Wiley & Sons *The Book of Five Rings* is a text on kenjutsu and the martial arts in general, written by the Japanese swordsman Miyamoto Musashi around 1643. Written over three centuries ago by a Samurai warrior, the book has been hailed as a limitless source of psychological insight for businessmen-or anyone who relies on strategy and tactics for outwitting the competition.
