**How to Draw Manga For the Beginner -
Step By Step Guide to Drawing Manga
Characters** Tuttle Publishing

Learn to create detailed female characters
to include in your own comic strip or
graphic novel! Professional manga and

anime artist Kyachi offers aspiring artists an
easy-to-follow approach to drawing manga
women. For beginners, it can be
intimidating to know where to start when
drawing the human form. This book is
meant to dispel those fears and wipe away
any hesitation, so you can begin with a
blank page or empty screen and start
populating it with people. Soon your simple
forms will take on greater detail and your
characters will come to life before you!
Kyachi has distilled her specialized
knowledge of the skeleton, muscles and
physical structures, explaining and
analyzing the most difficult aspects of figure
drawing and presenting it to you in a clear
and simple way. With this all-in-one, how-to
guide you'll: Create compelling characters
and eye-catching action poses Learn about

contrapposto (a specialized art term, meaning that most of the body's weight rests on either the left or right leg, achieving an angular or asymmetrical stance) Master traditional freehand, as well as digital techniques Follow along with the step-by-step progressions, before it's time to try it on your own Consult the cartoon guide who pops up and chimes in when expert tips are needed most A series of detailed lessons shows you how to draw the female form in every possible position. Individual chapters cover standing, sitting, reclining, walking, running and jumping. Essential details are then added—such as realistic creases to clothing and colorizing with brightness, contrast and saturation effects. Lovers of action manga and those hoping to create original, complex female characters will find

this book absolutely indispensable!

An easy-to-follow, yet comprehensive beginner's guide to drawing. In *The Complete Guide to Drawing for Beginners*, experienced art instructor Yoshiko Ogura explains the basics of pencil drawing through a series of lessons that provide insights on artistic composition, simulating highlights and shadows, depicting realistic forms, rendering texture and creating a sense of depth in your artwork. At the beginning of the book, she provides you with all the information you need to get started—what materials to buy, how to prepare your work surface, pencils and erasers—even how to sit correctly when drawing. Once you know these,

Ogura provides a series of easy and clear step-by-step lessons showing you how to draw simple objects while gaining an understanding of the essential concepts of perspective, how to convey hard and soft surfaces and textures, composition and balance. From here, you progress to more complex shapes and objects including landscapes and portraits of people and animals, as she explains all the additional concepts needed to draw these realistically. This book teaches you how to draw the following interesting subjects: Simple forms (an apple, a milk carton, an egg, a mug) Hard & soft surfaces (a cloth, a loaf of bread, a stone, a book) Transparent objects (water droplets, a glass)

Complex objects (a pumpkin slice with seeds and pulp, a sunflower) Human figures (hands, portraits) Landscape (trees, buildings) Animals (a cat, a parakeet) Still life (fruit, flowers) Plus, many other inspirational examples and ideas! By the end, all your drawings will begin to look impressively polished and realistic! As you work through the lessons, you'll master all the skills and knowledge that seasoned artists demonstrate in their work.
