A Beginners Guide to Playing the Guitar Michael Shaw

The beloved creator of "Notes from the Universe" distills a career's worth of inspiration into elegant, brief lessons for

making our way through the world--conceived as a guidebook for his young daughter yet relevant to everyone who's living a life on earth. (In other words, everyone.) Mike Dooley returns with what he expects to be his most impactful book yet: a volume of elegant, brief lessons conceived as a message from a father to his daughter, and equally relevant to everyone who's living a life on earth. (In other words, everyone.) Mike is a beloved teacher and thought leader for seekers around the world, known for his trademark humor, wisdom, and sheer joy

in living--all of which he's shared in his 17 books and his free daily e-mails of "Notes from the Universe." His *Beginner's Guide to the Universe*, inspired by such classics of gem-like wisdom as *Life's Little Instruction Book*, *The Four Agreements*, and *The Things You Can See Only When You Slow Down*, gives voice to his most essential, heartfelt advice about living deliberately and creating consciously. Guiding the reader thoughtfully and joyfully through a range of topics--including family and relationships, power and

responsibility, adversity and bouncing back from it, even the nature of heaven, angels, and God--Mike succeeds in making a happy life in this universe seem easily within our reach. With short passages of text placed artfully on each page, and a format that's a pleasure to hold in the hand, this is an ideal gift for a parent, a parent-to-be, a child, a new grad, a dear friend, or anyone who needs a dose of Dooley, whether they know it or not.

Are you a beginner and would like to learn how to play the ukulele from scratch? Are you looking for a practical and simple guide to learning to play ukulele? Playing the ukulele should bring you peace and joy. Do not make it into a job where you feel like you have to practice every day. Music is all about staying true to yourself and staying in love

with the practice of it. I am going to leave you with my top 5 list of beginner's tips for the ukulele and that you will find in this book: Starting as a beginner play slowly. This will also assist with chord changes. Practice this with lots of chord changes. Your goal is accuracy and not speed as the speed will naturally come and will not the other way around. Refer to the figures on how to correctly hold your Ukulele standing or sitting. Proper strumming influences your sound more than you know when beginning. Besides

strumming you can palm mute and then slap the strings to get down and funky. Ensure you have the basics covered in this book. I know you want to go from 0 to 100 in two seconds but do not try or you will become disheartened. You had to crawl before you walked, right? Do exercises and practice fingering. This will make you more accurate and you guessed it, faster. I wish you well, and I hope that you found everything that you needed in these pages. I have made sure that you have all of the

necessary material to get started and a few great diagrams to give you a clearer picture.
