Fans of Fancy Nancy will delight in this festive fall adventure story from the beloved New York Times bestselling author-illustrator team Jane O'Connor and Robin Preiss Glasser. Join Fancy Nancy on the perfect fall field trip—to the apple orchard. Fall is an extra-fancy season. Even the trees wear fancy colors! Nancy is determined to find a perfect Gala apple for her dad—it's his favorite kind, and even the name sounds fancy. But what if the perfect apple is just out of reach? Fancy Nancy: Apples Galore! is a Level One I Can Read book, which means it's perfect for children learning to sound out words and sentences. [Flat Stanley: On Ice](#) HarperCollins

The charming first book in a new early-reader series, starring the spirited -- and outspoken -- Anne Shirley as she first arrives at Green Gables. Marilla and Matthew Cuthbert need help on their farm, so they've adopted what they hope will be a sturdy, helpful boy. Instead, Matthew finds Anne awaiting him at the train station -- imaginative, brash, redheaded Anne-with-an-e. With her place at the Cuthberts' at risk -- particularly if nosy neighbor Mrs. Lynde has anything to say about it -- Anne will have to learn patience, understanding and what it takes to make

Green Gables her true home. Lovingly adapted by Kallie George with beautiful, nostalgic illustrations by Abigail Halpin, Anne Arrives is perfect for new fans of Anne and old.

In honor of Judy Moody's younger "bother," the creators of the award-winning series have put themselves in a very Stink-y mood. Shrink, shrank, shrunk! Every morning, Judy Moody measures Stink and it's always the same: three feet, eight inches tall. Stink feels like even the class newt is growing faster than he is. Then, one day, the ruler reads -- can it be? -- three feet, seven and three quarters inches! Is Stink

shrinking? He tries everything to look like he 's growing, but wearing up-and-down stripes and spiking his hair aren't fooling anyone into thinking he's taller. If only he could ask James Madison -- Stink's hero, and the shortest person ever to serve as President of the United States. In Stink's first solo adventure, his special style comes through loud and strong -- enhanced by a series of comic strips, drawn by Stink himself, which are sprinkled throughout the book. From "The Adventures of Stink in SHRINK MONSTER" to "The Adventures of Stink in NEWT IN SHINING ARMOR," these very funny, homespun sagas reflect the familiar voice of a kid who pictures himself with super powers to deal with the travails of everyday life -- including the occasional teasing of a bossy big sister! Charlie & Mouse Farrar, Straus & Giroux (BYR) The first adventure of this NEW YORK TIMES best-selling porcine wonder is now available as an e-book. (Ages 6 - 8) Features an audio read-along! To Mr. and Mrs. Watson, Mercy is not just a pig -- she's a porcine wonder. And to the portly and good-natured Mercy, the Watsons are an excellent source of buttered toast, not to mention that buttery-toasty feeling she

gets when she snuggles into bed with them. This is not, however, so good for the Watsons' bed. BOOM! CRACK! As the bed and its occupants slowly sink through the floor, Mercy escapes in a flash -- "to alert the fire department," her owners assure themselves. But could Mercy possibly have another emergency in mind -- like a sudden craving for their neighbors' sugar cookies? Welcome to the wry and endearing world of Mercy Watson -- an ebullient new character for early chapter-book readers in a series that's destined to be a classic. **Minecraft Penguin** Acclaimed author Kathryn Lasky explores the nature of friendship in three delightful short stories for beginning readers. Creative, impulsive Poodle and loyal, dependable Hound are very different. On her own, Poodle likes to go get her hair done at the salon and have tea at a fancy restaurant. On his own, Hound likes to read the newspaper and do math and draw complicated plans. Together, the dynamic duo stargazes, plants a garden, and proves that opposites can not only attract but complement

and help each other. A perfect story for fans of unlikely friendships and cooperative projects, warmly illustrated by Mitch Vane.

The path from retail middle management to interdimensional wizard adventurer wasn't easy, but Jason Asano is settling into his new life. Now, a contest draws young elites to the city of Greenstone, competing for a grand prize. Jason must gather a band of companions if he is to stand a chance against the best the world has to offer. While the young adventurers are caught up in competition, the city leaders deal with revelations of betrayal as a vast and terrible enemy is revealed. Although Jason seems uninvolved, he has unknowingly crossed the enemy's path before. Friends and foes made along the way will lead him to cross it again as inevitable conflict looms. After cementing itself as one of the best-rated serial novels on Royal Road with an astonishing 13 million views, the He Who Fights with Monsters Series is now available on Kindle. It's perfect for fans of Pirate Aba, Dakota Krout, and Luke Chmilenko. *Polly Diamond and the Magic Book* CreateSpace Max has found an egg—a dinosaur egg, he hopes. He builds a nest for the egg, shines a light on the egg, and dances around the egg in

anticipation. Crack, crack, crack—out pops a . . . ! Young readers will have a ball reading this fun and fast-paced Level 1 story.

From the illustrator of the #1 smash hit *The Day The Crayons Quit* comes a humorously warm tale of friendship. Now also an animated TV special! What is a boy to do when a lost penguin shows up at his door? Find out where it comes from, of course, and return it. But the journey to the South Pole is long and difficult in the boy's rowboat. There are storms to brave and deep, dark nights. To pass the time, the boy tells the penguin stories. Finally, they arrive. Yet instead of being happy, both are sad. That's when the boy realizes: The penguin hadn't been lost, it had merely been lonely. A poignant, funny, and child-friendly story about friendship lost . . . and then found again.

The Princess in Black: #1 Penguin

The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to

change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
