“ A devastating and
infuriating book, more
astonishing than any legal

thriller by John Grisham ” (The lack of physical evidence. New York Times) about a Michael was swiftly sentenced to life in prison for a crime he had not committed. He young father who spent twenty-five years in prison for a crime he did not commit...and his mourned his wife from a prison eventual exoneration and return to life as a free man. On cell. He lost all contact with their son. Life, as he knew it, August 13, 1986, just one day was over. Drawing on his after his thirty-second birthday, recollections, court transcripts, Michael Morton went to work at his usual time. By the end of the day, his wife Christine had been savagely bludgeoned to death in the couple ’ s bed—and the Williamson County Sheriff ’ s office in Texas wasted no time in pinning her murder on Michael, despite an absolute and more than 1,000 pages of personal journals he wrote in prison, Michael recounts the hidden police reports about an unidentified van parked near his house that were never pursued; the bandana with the killer ’ s DNA on it, that was never introduced in court; the call from a neighboring county reporting the attempted use of his wife ’ s credit card, which was never followed up on; and ultimately, how he battled his way through the darkness to become a free man once again.

“ Even for readers who may feel practically jaded about stories of injustice in Texas—even those who followed this case closely in the press—could do themselves a favor by picking up Michael Morton ’ s new memoir...It is extremely well-written [and] insightful ” (The Austin Chronicle). Getting Life is an extraordinary story of unfathomable tragedy, grave

injustice, and the strength and courage it takes to find forgiveness.

Tracie has been writing all of her life—poems, short stories, and inspirational verse. Although blessed with this gift, she felt something was missing. Should there be more? Somewhere around 1992 she had an eye opening chit-chat in the ladies room at church with a friend. She discovered her friend had overcome some pretty big stumbling blocks in her own

life and now had an amazing grace filled testimony! Tracie admired her friend's courage and grit and wished that she too had her own dramatic story; one that would inspire others. You know that old saying, "Be careful what you ask for?" Well, ask and you shall receive! Tracie got more drama than she had bargained for when she fell for a man who proceeded to turn her life upside down and inside out. She endured years of degradation, humiliation, and manipulation. She had been verbally accosted,

emotionally drained, and mentally abused, but no more! She found her strength and remembered her gift. Changing her mind hadn't changed her purpose, so after regaining her life, she put it into words.

Justice

The Storm Is Over Now

Anthem Press

Jimmy Jack was a respected citizen with a hidden secret: He had been an alcoholic since his early teen years. Despite obtaining three Master Degrees and being wildly successful in several fields, it was not enough to keep him sober. After getting a DWI, Jack served twenty-one months of a four-year sentence in one of the most out of control and violent prisons in the state of Texas. In *Jimmy Jack: The Alcoholic Teacher*, he narrates his journey and describes how his

prison experience literally saved his life. He tells how he, as a genuine Christian with real-time faults and attitudes, was simply trying to survive and come out of the horrible situation a better person. Jack documented his story, and the stories of other inmates, by writing two pages each day for 1 year. In this memoir, he entertains with humor, teaches about the healing power of Jesus, demonstrates how a respected member of society navigated incarceration, and offers hope for a better tomorrow.

This book is fiction, yet it describes the plight of so many young black boys in real life, who grow up with a sense of making fast money, women, drinking and drugs. They try to grow up too fast and as a result they end up in jail. This is such a story and you will be intrigued by the struggle Jason goes through trying to find himself as a man. After you read this story you come away with a feeling of sadness and despair about the plight and failure of so many

young black men who are struggling today to find themselves.

A unique and edgy cookbook, Prison Ramen takes readers behind bars with more than 65 ramen recipes and stories of prison life from the inmate/cooks who devised them, including celebrities like Slash from Guns n ' Roses and the actor Shia LaBeouf. Instant ramen is a ubiquitous food, beloved by anyone looking for a cheap, tasty bite—including prisoners, who buy it at the commissary and use it as

the building block for all sorts of meals. Think of this as a unique cookbook of ramen hacks. Here ' s Ramen Goulash. Black Bean Ramen. Onion Tortilla Ramen Soup. The Jailhouse Hole Burrito. Orange Porkies—chili ramen plus white rice plus ½ bag of pork skins plus orange-flavored punch. Ramen Nuggets. Slash ' s J-Walking Ramen (with scallions, Sriracha hot sauce, and minced pork). Coauthors Gustavo "Goose" Alvarez and Clifton Collins Jr. are

childhood friends—one an ex-con, now free and living in Mexico, and the other a highly successful Hollywood character actor who ’ s enlisted friends and celebrities to contribute their recipes and stories. Forget flowery writing about precious, organic ingredients—these stories are a first-person, firsthand look inside prison life, a scared-straight reality to complement the offbeat recipes.

Kayaya and Other Tales

Part 1 Waterside Press
Convicted of a crime he didn't commit, eighteen year old Riley Parker is forced to carry out his sentence in prison. He expects a cold, hard life, filled with danger and uncertainty. What he doesn't expect is his cell mate Nathaniel Greyson. Nathan is gorgeous and more than a little frightening, but Riley soon finds himself feeling much more than attraction for this hard man, but you can't fall in love in prison...can you?

Slander, Religion, and Markets in Early America
InterVarsity Press
The “ engrossing, thoroughly researched look at women who are in romantic relationships with incarcerated men ” —fully updated with twenty-first-century cases (Publishers Weekly). In 1991, Sheila Isenberg ’ s classic study *Women Who Love Men Who Kill* asked the provocative question, “ Why do women fall in love with convicted murderers? ” Now,

Isenberg returns to the same question in the age of smart phones, social media, mass shootings, and modern prison dating. The result is a compelling psychological study of prison passion in the new millennium. Isenberg conducts extensive interviews with women who seek relationships with convicted killers, as well as conversations with psychiatrists, social workers, and prison officials. She shows that many of these women know exactly what they are getting into—yet they are willing to sacrifice everything for the sake of a love without hope, promise, or consummation. This edition of *Women Who Love Men Who Kill* includes gripping new case studies and an absorbing look at how the digital age is revolutionizing this phenomenon. Meet the young women writing “far fiction” featuring America’s most sadistic murderers; the killer serving consecutive life sentences for strangling his wife and smothering his toddler daughters—and the women who visit him in prison; the high-powered journalist who fell in love and risked it all for “Pharma Bro” Martin Shkreli; and many other women absorbed in online and real-life dalliances with their killer men.

[True Freedom Behind Bars](#) Cengage Learning
The Russian Federation has one of the largest prison populations in the world. Women in

particular are profoundly affected by the imprisonment of a family member. Families and Punishment in Russia details the experiences of these women-be they wives, mothers, girlfriends, daughters-who, as relatives of Russia's three-quarters of a million prisoners, are the "invisible victims" of the country's harsh penal policy. A pioneering work that offers a unique lens through which various aspects of life in twenty-first century Russia can be observed: the workings of criminal sub-cultures; societal attitudes to parenthood, marriage and marital fidelity; young women's quests for a husband; nostalgia for the Soviet period; state strategies towards dealing with political opponents; and the social construction of gender roles.

Caulky Skyhorse
"Kayaya and Other Tales" are stories and picture of passion, dynamism, of innovation, of inspiration, of battle against nature, of friendship, of family, of love and of technologies. It teaches how animal communicate, including dogs, otters, birds, snakes. From the writer hailed for giving voice to a generation in Kids These Days comes a bold rejection of a society in which inequality, police violence, and exploitation have come to define our lives In these new and selected pieces, Malcolm Harris, one of our

sharpest and most versatile critics, examines everything from the lowering of wages to the rise of fascism—and the maddening cultural landscape in between. Along the way, he explores protest strategies past and present; questions the wrong (and often racist) lessons we 've learned from American history; and, most comfortingly, assures us that Marx saw the necessity of a crisis moment just like the one we're in. Rarely does a

writer come along who can turn our world so thoroughly upside down that we can finally understand it for what it really is, but Harris's wry and biting essays do just that, and help us laugh at what we see. Our economic situation, political discourse, and future prospects have gotten much worse since a guy brought a sign that said "Shit is Fucked Up and Bullshit" to the Occupy Wall Street protests. We all knew what he meant then . . .

but where are we now? And how has so much happened since the so-called end of history? The over thirty pieces collected here offer compelling answers to these questions and more. Simon and Schuster Read the complete trilogy in this fast-paced mystery series... This set contains the first three books in the Elizabeth Strong Mystery Series, including: Strong Motive Strong Alibi Strong Conviction Strong Motive: She rose from the ashes of her past. Now someone wants to throw her back

into the fire. While helping a prominent woman navigate the court system, Elizabeth Strong falls prey to a mysterious stalker and Detective Martinez is assigned to her case. When it becomes clear that her client is the target of a murder for hire, Elizabeth and Martinez team up to catch the killer. The client ' s husband is rich, connected, and the number one suspect. Is he also sending Elizabeth a message to back off? Although the one man Elizabeth fears is still behind bars, Martinez suspects he ' s somehow involved. It wouldn ' t be the

first time a prison inmate got to someone on the outside. As the evidence builds in her client ' s case, the danger escalates in her own. The tangled web connecting the two together begins to unravel and it ' s soon realized nothing is ever as it seems... Strong Alibi: He ' s up for parole. Two years too soon. Just as she begins to feel she has her emotions under control, Elizabeth receives news the man she helped send to prison is up for parole after six years. At the same time, she ' s assigned a high-profile client; the wife of a journalist for the local

newspaper. After the woman retracts her police statement, Elizabeth deals with the fallout of an angry crime writer ' s musings. With Silverton PD and everyone associated with them subject to public ridicule, Elizabeth is torn. Not only does she wonder if her efforts of fighting for her client are futile, she ' s weighted with the decision of trying to keep a dangerous man in prison, where he belongs. Strong Conviction: He ' s out of prison. His targets are set. And she ' s one of them. Elizabeth Strong had hoped after all this time, Steve

Robinson would leave her alone. But his message is clear. He ' s not only coming for her; he also has his sights set on another woman who refused to testify against him back then. But since recently being made an unwilling accomplice to Robinson ' s current criminal empire, she immediately goes to Elizabeth for help. With at least one dirty cop in the Silverton Police Department, and Detective Martinez being relegated to desk duty, the stakes are higher for both women this time around.

Bitches Aren't Born
They're Made Grove Press
“ A tour de force of storytelling. ” —Louise Penny, #1 New York Times bestselling author of the Chief Inspector

Gamache series “ Jobb ’ s excellent storytelling makes the book a pleasure to read. ” —The New York Times Book Review “ When a doctor does go wrong he is the first of criminals, ” Sherlock Holmes observed during one of his most baffling investigations. “ He has nerve and he has knowledge. ” In the span of fifteen years, Dr. Thomas Neill Cream murdered as many as ten people in the United States, Britain, and

Canada, a death toll with almost no precedent. Poison was his weapon of choice. Largely forgotten today, this villain was as brazen as the notorious Jack the Ripper. Structured around the doctor's London murder trial in 1892, when he was finally brought to justice, *The Case of the Murderous Dr. Cream* exposes the blind trust given to medical practitioners, as well as the flawed detection methods, bungled investigations, corrupt

officials, and stifling morality of Victorian society that allowed Dr. Cream to prey on vulnerable and desperate women, many of whom had turned to him for medical help. Dean Jobb transports readers to the late nineteenth century as Scotland Yard traces Dr. Cream's life through Canada and Chicago and finally to London, where new investigative tools called forensics were just coming into use, even as most police departments still scoffed at using

science to solve crimes. But then, most investigators could hardly imagine that serial killers existed—the term was unknown. As the *Chicago Tribune* wrote, Dr. Cream's crimes marked the emergence of a new breed of killer: one who operated without motive or remorse, who “murdered simply for the sake of murder.” For fans of Erik Larson's *The Devil in the White City*, all things Sherlock Holmes, or the podcast *My Favorite Murder*, The

Case of the Murderous Dr. Cream is an unforgettable true crime story from a master of the genre.

The powerful spiritual vision of the Chinese church to send 100,000 missionaries across China's borders to complete the Great Commission, even in this generation. Oxford University Press, USA
Twenty-four hours is a lot of time in prison, and here is a moment to moment guide of how each one goes by. A Day in Prison shows what life is like for prisoners from morning roll call to lights out. It tracks the many ins and outs of prison culture and provides a comprehensive look into the dynamics that define

inmates' daily interactions with each other, prison guards, and prison administrators. It gives a full sense of the challenges—small and large—presented to inmates as they try to survive each day. The book is structured like an actual day in prison, hour by hour, tracking where in the prison a prisoner would most likely be and what they would most likely be doing. It brings a clear sense of the unique environment that is a prison and makes sense of it for the reader, step-by-step. Based in the author's own experience, being

incarcerated for eleven years, it is as realistic a guide to life in prison as any reader could have.

Love and Family in the Shadow of the Prison

AuthorHouse

In 1812, New Hampshire shopkeeper Timothy M. Joy abandoned his young family, fleeing the creditors who threatened to imprison him. Within days, he found himself in a Massachusetts jailhouse, charged with

defamation of a prominent politician. During the months of his incarceration, Joy kept a remarkable journal that recounts his personal, anguished path toward spiritual redemption. Martin J. Hershock situates Joy's account in the context of the pugnacious politics of the early republic, giving context to a common citizen's perspective on partisanship and the fate of an unfortunate

shopkeeper swept along in the transition to market capitalism. In addition to this close-up view of an ordinary person's experience of a transformative period, Hershock reflects on his own work as a historian. In the final chapter, he discusses the value of diaries as historical sources, the choices he made in telling Joy's story, alternative interpretations of the diary, and other

contexts in which he might have placed Joy's experiences. The appendix reproduces Joy's original journal so that readers can develop their own skills using a primary source.
