The Case for Catholicism Ignatius Press

If you could sit down with St. Thomas Aquinas over a pint of beer and ask him any one question, what would it be? Pints With Aquinas contains over 50 deep thoughts from the Angelic doctor on subjects such as God, virtue, the sacraments, happiness, alcohol, and more. If you've always wanted to read St. Thomas but have been too intimidated to try, this book is for you. So, get your geek on, pull up a bar stool and grab a cold one, here we go!" "He alone enlightened the Church more than all other doctors; a man can derive more profit in a year from his books than from pondering all his life the teaching of others." - Pope John XXII

Essential reading for all Catholics! Bestselling author, Scott Hahn illuminates a fresh and enlightening perspective on Mary, Mother of God, and her central importance in the Christian faith. In *The Lamb's Supper*, Hahn explored the relationship between the Book of Revelation and the Roman Catholic Mass, deftly clarifying the most subtle of theological points with analogies and anecdotes from everyday life. In *Hail, Holy Queen*, he employs the same accessible, entertaining style to demonstrate Mary's essential role in Christianity's redemptive message. Most Christians know that the life of Jesus is foreshadowed throughout

the Old Testament. Through a close examination of the Bible, as well as the work of both Catholic and Protestant scholars and clergy, Hahn brings to light the small but significant details showing that just as Jesus is the "New Adam," so Mary is the "New Eve." He unveils the Marian mystery at the heart of the Book of Revelation and reveals how it is foretold in the very first pages of the Book of Genesis and in the story of King David's monarchy, which speaks of a privileged place for the mother of the king. Building on these scriptural and historical foundations, Hahn presents a new look at the Marian doctrines: Her Immaculate Conception, Perpetual Virginity, Assumption, and Coronation. As he guides modern-day readers through passages filled with mysteries and poetry, Hahn helps them rediscover the ancient art and science of reading the Scriptures and gain a more profound understanding of their truthfulness and relevance to faith and the practice of religion in the contemporary world.

The Essential Catholic Survival Guide **Houghton Mifflin**

From the cross Jesus gave us his mother to be our mother, too: a singularly holy model, consoler, and intercessor for our spiritual journey. Yet most Protestants, and too many Catholics don't understand the role that God wants her to play

<p>in our lives. In <i>Behold Your Mother</i>, Tim Staples takes you through the Church's teachings about the Blessed Virgin Mary, showing their firm Scriptural and historical roots and dismantling the objections of those who mistakenly believe that Mary competes for the attention due Christ alone. Combining the best recent scholarship with a convert's in-depth knowledge of the arguments, Staples has assembled the most thorough and useful Marian apologetic you'll find anywhere. Relevant and essential -- Mary matters. Read <i>Behold Your Mother</i> and find out just how much. The Assumption of Mary Emmaus</p>	<p>Road Publishing</p> <p>The life and labors of D. S. Warner are so closely associated with a religious movement that any attempt at his biography becomes in part necessarily a history of that movement. I have therefore chosen the term, <i>Birth of a Reformation</i>, as a part of the title of this book. Brother Warner (to use an appellation in keeping with the idea of universal Christian brotherhood) was doubtless chosen of God as an instrument for accomplishing a particular work. What that work was, why it may be called a reformation, and why, in particular, it may be considered the last</p>
---	--

reformation, a few words of explanation by way of introduction are offered the inquiring reader. It will be necessary to take a brief glance over the Christian era and review some of the important events and conditions. We note the characteristics of the church in the days of the apostles, which, by reason of its recent founding and organization by the Holy Spirit, is naturally regarded as exemplary and ideal. It had no creed but the Scriptures and no government but that administered by the Holy Spirit, who 'set the members in the body as it pleased him'—apostles, prophets, teachers, evangelists, pastors, etc.

Thus subject to the Spirit, the early church was flexible, capable of expansion and of walking in all the truth and of adjusting itself to all conditions. It was in very essence the church, the whole, and not a section or part. The apostles and early believers did not restrict themselves and become a Jewish Christian sect or any other kind of sect. Peter's way of thinking would have thus limited him, for as a Jew he declined any particular interest in Gentile converts; but the Lord through a vision changed his mind and advanced his understanding to include the universality of the Christian kingdom. The Holy Spirit

in the heart was necessary, of course, to the successful government of the church by the Spirit, otherwise he could not have been understood. There were no dividing lines, for it was the will of the Lord particularly that there be "one fold and one shepherd." Jesus had prayed in behalf of the disciples "that they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me". These conditions of being subject to the word and Spirit, of leaving an open door through which greater light and truth might enter as was necessary, and of possessing

the love and unity of spirit that cemented the believers together and carried them through all their persecution, constituted the ideal and normal status of God's church on earth as he gave it beginning, of which it was ordained that there should be but one, only one, as long as the world should endure. "There is one body, and one Spirit, even as ye are called in one hope of your calling".

Ignatius Press

"Pray for us oh Holy mother of God" Fr. Pacwa brings his devotion to the Blessed Mother alive for every Catholic in the next in his series of wildly popular Bible studies. Mary -

Virgin, Mother, and Queen: A Bible Study Guide for Catholics looks at Old and New Testament texts that are relevant to the Marian doctrine, including: God's promise in Genesis that a woman's offspring would strike the head of the serpent The Old Testament Ark of the Covenant as a symbol of Mary Mary's fiat The wedding at Cana Mary at the cross The woman and the dragon in Revelation And more Mary - Virgin, Mother, and Queen is perfect for use as a parish Bible study, or for individual learning. Each chapter includes background and study exercises, and questions for reflection and discussion. Fr. Mitch

enlightens, clarifies, and challenges Catholics to a renewed devotion to the Blessed Mother, through whom we are drawn nearer to Christ.

Jesus and the Old Testament Roots of the Priesthood Academy of the Immaculate

Where are the tough answers when a co-worker or friend asks those tough questions about the Catholic faith? Here at Catholic Answers, the most effective products for countering attacks and clearing up misunderstandings have been our tracts. We've decided to compile seventy of the best tracts into one cohesive, comprehensive book that can be used by anyone, anytime, anywhere to defend the Catholic faith.

Mary, Mother of the Redeemer
Emmaus Road Publishing

The question "Who am I?" is on the minds and hearts of people of all ages. And for good reason: The answer is important! Who we are - or who we think we are - drives our actions and shapes our relationships. While we are asking the right questions about identity, the world is busy feeding us the wrong answers: We are our political party, job title, sexual orientation, race, ethnicity - and the list goes on. But until we know why we were created, by whom, and for what purpose, we can never be truly satisfied. In *Who Am I, Lord?*,

author and speaker Joe Heschmeyer tackles the question of identity by asking two even more important questions: Who is Jesus? Who does he say you are? Only when we understand who Christ really is can he show us who we are. Our identity in Christ opens us to the promises he has made us and leads us to the freedom to be who we were created to be. *Who Am I, Lord?* will answer the question of your identity in a way that will transform your life. [Click here to register for the related webcast ABOUT THE AUTHOR](#) Previously a litigator in Washington, D.C., and a seminarian for the Archdiocese of Kansas City, Joe

Heschmeyer now works as an instructor for the Holy Family School of Faith Institute, helping people to grow in friendship with Jesus Christ and with one another through ongoing one-on-one discipleship, small gatherings, and large group formation. His writing has appeared in Catholic Answers Magazine, the Washington Times, Word on Fire, First Things, and Strange Notions. In 2014, he was named one of FOCUS' "30 Under 30." He cohosts The Catholic Podcast weekly and has run the blog Shameless Popery since 2009. [Why the Reformation Still Matters](#) Four Courts Press Ltd

An exhilarating conversion story of a devout Baptist who relates how he overcame his hostility to the Catholic Church by a combination of serious Bible study and vast research of the writings of the early Church Fathers. In addition to a moving account of their conversion that caused Ray and his wife to "cross the Tiber" to Rome, he offers an in-depth treatment of Baptism and the Eucharist in Scripture and the ancient Church. Thoroughly documented with hundreds of footnotes, this contains perhaps the most complete compilation of biblical and patristic quotations and commentary available on Baptism and the Eucharist, as well as a detailed analysis of Sola Scriptura and Tradition. Born Fundamentalist, Born Again Catholic Our Sunday Visitor Does the Reformation Still Matter? In

1517, a German monk nailed a poster to the door of a church, disputing key doctrines taught by the Roman Catholic Church in that day. This moment set in motion a movement that changed the entire trajectory of church history. But do the Reformers still have something to teach us? In this accessible primer, Michael Reeves and Tim Chester answer eleven key questions raised by the Reformers—questions that remain critically important for the church today.

Who Am I, Lord? Finding Your Identity in Christ Catholic Answers Press

The writings of the Apostolic Fathers give a rich and diverse picture of Christian life and thought in the period immediately after New Testament times. Some of them were accorded almost Scriptural

authority in the early Church. This new Loeb edition of these essential texts reflects current idiom and the latest scholarship. Here are the Letters of Ignatius, bishop of Antioch, among the most famous documents of early Christianity; these letters, addressing core theological questions, were written to a half dozen different congregations while Ignatius was en route to Rome as a prisoner, condemned to die in the wild-beast arena. Also in this collection is a letter to the Philippian church by Polycarp, bishop of Smyrna and friend of Ignatius, as well as an account of Polycarp's martyrdom. There are several kinds of texts in the Apostolic Fathers collection, representing different religious outlooks. The manual called the Didache sets forth precepts for religious instruction, worship, and ministry. The Epistle of Barnabas

searches the Old Testament, the Jewish Bible, for testimony in support of Christianity and against Judaism. Probably the most widely read in the early Christian centuries was The Shepherd of Hermas, a book of revelations that develops a doctrine of repentance.

Letters to a Young Contrarian Jimmy Swaggart Ministries

Drawing on the wealth of the Church's living tradition, Fr. Donald Calloway, MIC, calls on all of us to turn to St. Joseph, entrust ourselves, our Church, and our world to our spiritual father's loving care, and then watch for wonders when the Universal Patron of the Church opens the floodgates of Heaven to pour out graces into our lives today. Definitely a book for our time, Consecration to St. Joseph is

dedicated to meeting the challenges of the present moment and restoring order to our Church and our world, all through the potent paternal intercession and care of St. Joseph. This book has everything you need to take your love and devotion to St. Joseph to a whole different level: a thorough program of consecration to St. Joseph; information on the 10 wonders of St. Joseph; and prayers and devotions to St. Joseph. Accessible, motivating, this book will kick off a great movement of consecration to our spiritual father and change the world. Does the Bible Really Say That? Ignatius Press

This book, based on lectures given at the University of Navarre, is a

systematic study of the person of Mary, the mother of Jesus of Nazareth, true God and true Man and the redeemer of mankind. After introductory chapters that approach the subject from conceptual and historical angles, the book then discusses what revelation says about the woman who, in the fullness of time, bore in her womb the pre-existent Son of God. The book also includes a study of Mary's perfections as the Church believes them, written in a 'genetic' way, examining how appreciation of each perfection developed over the past two thousand years. The last chapter deals with Marian devotion. Mary, Mother of the Redeemer provides students of theology, and others interested in deepening the Christian faith, with insights into the person chosen by God to be the mother of Jesus.

Behold Your Mother Ignatius Press

David Currie was raised in a devout Christian family whose father was a fundamentalist preacher and both parents teachers at Moody Bible Institute. Currie's whole upbringing was immersed in the life of fundamentalist Protestantism - theology professors, seminary presidents and founders of evangelical mission agencies were frequent guests at his family dinner table. Currie received a degree from Trinity International University and studied in the Masters of Divinity program. This book was written as an explanation to

his fundamentalist and evangelical friends and family about why he became a Roman Catholic. Currie presents a very lucid, systematic and intelligible account of the reasons for his conversion to the ancient Church that Christ founded. He gives a detailed discussion of the important theological and doctrinal beliefs Catholic and evangelicals hold in common, as well as the key doctrines that separate us, particularly the Eucharist, the Pope, and Mary.

Break Through the Noise Catholic Answers

Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The "sea of glass." The fantastic imagery

found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's *Coming Soon* explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow. *Coming Soon* is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version: Catholic Edition of the Bible. Barber provides a Catholic

interpretation, which sees the liturgical background of this book of Scripture-a perspective missing in many Protestant commentaries.

The Holiness of God Catholic Answers Press

Some differences between Catholicism and Protestantism can be tricky to grasp, but one of them just requires the ability to count: Catholic bibles have seventy-three books, whereas Protestant bibles have sixty-six - plus an appendix with the strange title Apocrypha. What's the story here? Protestants claim that the medieval Catholic Church added six extra books that had never been considered part of the Old Testament, either by Jews or early Christians. Catholics say that the Protestant Reformers removed those

books, long considered part of Sacred Scripture, because they didn't like what they contained. In *Why Catholic Bibles Are Bigger*, Gary Michuta presents a revised and expanded version of his authoritative work on this key issue. Combing the historical record from pre-Christian times to the Patristic era to the Reformation and its aftermath, he traces the canon controversy through the writings and actions of its major players.

All Generations Shall Call Me Blessed Image

Karl Keating defends Catholicism from fundamentalist attacks and explains why fundamentalism has been so successful in converting "Romanists". After showing the

origins of fundamentalism, he examines representative anti-Catholic groups and presents their arguments in their own words. His rebuttals are clear, detailed, and charitable. Special emphasis is given to the scriptural basis for Catholic doctrines and beliefs.

Nuts & Bolts Franciscan Media

In this collection of inspiring reflections, ten esteemed priests share the role that the Blessed Mother has played in their personal spiritual lives, seeking to renew Marian devotions for both younger clergy and those with years of priestly life. Each priest offers theological reflections and pastoral insights deeply rooted in his own devotion to Mary.

Behold Your Mother Ignatius Press

"Art of Mentoring" series In the book that he was born to write, provocateur and best-selling author Christopher Hitchens inspires future generations of radicals, gadflies, mavericks, rebels, angry young (wo)men, and dissidents. Who better to speak to that person who finds him or herself in a contrarian position than Hitchens, who has made a career of disagreeing in profound and entertaining ways. This book explores the entire range of "contrary positions"-from noble dissident to gratuitous pain in the butt. In an age of overly polite debate bending over backward to reach a happy consensus within an increasingly centrist political dialogue, Hitchens pointedly pitches himself in contrast. He bemoans the loss of the skills of dialectical thinking evident in contemporary society. He

understands the importance of disagreement-to personal integrity, to informed discussion, to true progress-heck, to democracy itself. Epigrammatic, spunky, witty, in your face, timeless and timely, this book is everything you would expect from a mentoring contrarian.
