Academy of the Immaculate The writings of the Apostolic Fathers give a rich and diverse picture of Christian life and thought in the period immediately after New Testament times. Some of them were accorded almost Scriptural authority in the early Church.

This new Loeb edition of these essential texts reflects current idiom and the latest scholarship. Here are the Letters of Ignatius, bishop of Antioch, among the most famous documents of early Christianity; these letters, addressing core theological questions, were written to a half dozen different congregations while Ignatius was en route to Rome as a prisoner, condemned to die in the wild-

beast arena. Also in this collection is a letter to the Philippian church by Polycarp, bishop of Smyrna and friend of Ignatius, as well as an account of Polycarp's martyrdom. There are several kinds of texts in the Apostolic Fathers collection, representing different religious outlooks. The manual called the Didache sets forth precepts for religious instruction, worship, and ministry. The Epistle of

Barnabas searches the Old Testament, the Jewish Bible, for testimony in support of Christianity and against Judaism. Probably the most widely read in the early Christian centuries was The Shepherd of Hermas, a book of revelations that develops a doctrine of repentance. Coming Soon Ignatius Press Father Luigi Gambero, internationally-known expert on early Christianity, presents a comprehensive survey of the

development of Marian doctrine and devotion during the first eight centuries. Focusing on the lives and works of over thirty of the most famous Church Fathers and early Christian writers, Fr. Gambero has produced a clear and readable summary of the richness of the patristic age's theological and devotional approach to the Mother of God. The book contains numerous citations from the works of those men who developed the defining Christological and Mariological positions that have constituted the foundational doctrinal teaching of the Church. Each chapter concludes with an extended reading from the

works of the patristic authors. A number of these texts have never before been published in English. The thought of the Fathers and early Christian writers continues to fascinate readers today. Their theological acuity and spiritual depth led them faithfully into the mysteries of Sacred Scripture. Their vast experience made them reliable and trustworthy witnesses to the faith of the people of God. Why the Reformation Still Matters Catholic Answers Press

Is there anything in the New Testament about the need for priests in the Church? Many Protestants would argue no. And if you point out that there is a priesthood in the Old Testament, they are likely to say

it was a feature of the Old Covenant that was undone by Christ. How should a Catholic respond? In Jesus and the Old Testament Roots of the Priesthood, biblical scholar John Bergsma convinces readers that Jesus did, in fact, intend for a ministerial priesthood to be a key feature of the New Covenant. Bergsma shows how the priesthood is a major thread holding together the biblical story line—beginning with Adam's loss of the gift of priesthood in the Fall and the long process of restoring his descendants to a priestly status over the centuries, culminating with Christ. With chapter summaries and discussion questions included, Jesus and the Old

Testament Roots of the Priesthood can readily be adapted into a four-part study for personal or small group use.

A scholarly, easy to read book tracing Mary's presence in the Old Testament, through prophecies, figures and symbols, to Mary's role in the New Testament, where we see the many instances and places where Mary is found working beside her Divine Son. A clear, concise exposition (all Biblical) which shows clearly Mary's place in the economy of Salvation. The author is well known in Italy for his scholarship and

leadership in founding the Franciscans of the Immaculate. PROD ID: AIB-AG001, 393 pp, sewn softcover. Why Catholic Bibles Are Bigger Ignatius Press

Regardless of their sometimes ambiguous concepts of God, the Roman Stoic philosophers did acknowledge Him, but on the basis of reason alone, because they had not met Christ. Nonetheless, they did deduce from God's existence our need to live lives of virtue, honor, tranquility, and self-control--and they developed effective techniques to help us achieve this. Musonius Rufus the teacher, Epictetus the slave, Seneca the adviser to emperors, and Marcus

Aurelius, the emperor himself, produced a practical technology we can use to integrate Christian ethics into our own daily practice. As Kevin Vost so wonderfully illustrates in his new book, *The Porch and the Cross*, the Stoics can help us learn--and remember--what is up to us, and what is up to God alone.

From the cross Jesus gave us his mother to be our mother, too: a singularly holy model, consoler, and intercessor for our spiritual journey. Yet most Protestants, and too many Catholics don't understand the role that God wants her to play in our lives.

In Behold Your

Mother, Tim Staples takes you through the Church's teachings about the Blessed Virgin Mary, showing their firm Scriptural and historical roots and dismantling the objections of those who mistakenly believe that Mary competes for the attention due Christ alone. Combining the best recent scholarship with a convert's in-depth knowledge of the arguments, Staples has assembled the most thorough and useful Marian apologetic you'll find anywhere. In 1517, a German monk nailed a poster to the door of a church, disputing key doctrines taught by the Roman Catholic Church in that day. This moment set in motion a movement that changed the entire trajectory of church history. But do the Reformers still have something to teach us? In this accessible primer, Michael Reeves and Tim Chester answer eleven key questions raised by the Reform

Some differences between Catholicism and Protestantism can be tricky to grasp, but one of them just requires the ability to count: Catholic bibles have seventy-three books, whereas Protestant bibles have sixty-six - plus an appendix with the strange title Apocrypha. What's the story here? Protestants claim that the medieval Catholic Church added six extra books that had never been considered part of the Old Testament, either by Jews or early Christians. Catholics say that the Protestant Reformers removed those books, long considered part of Sacred Scripture, because they didn't like what they contained. In Why Catholic Bibles Are Bigger, Gary Michuta presents a revised and expanded version of his authoritative work on this key issue. Combing the historical record from pre-Christian times to the Patristic era to the Reformation and its aftermath, he traces the canon controversy through the writings and actions of its major players. There are more than

50 million Roman Catholics in the United States...over one billion in the entire world. Most see their Roman Catholic traditions and the Christian faith as one and the same. Yet the sad fact is that there are vast differences between Catholicism and Christianity. Christianity was founded not as an institution, but as a witness to Jesus Christ. It is Christ, not Christianity, that has the power to change lives. Catholicism arose from the ruins of the Roman Empire. It brought itself to power through the glory of Rome by deception and force. And by force and bloodshed it has maintained that power throughout the years. Millions of people around the world are following an

institution, without the slightest understanding of the Saving Grace of Jesus Christ. This powerful book examines each of the basic tenets of Catholicism and compares them against the standards and precepts of the Word of God. It is an enlightening look behind the scenes into the history of the Catholic church and the establishment of its power throughout the ages. It is also a book of hope and promise as it lays bare the institution and proclaims the Person of Jesus Christ. It is a book that every Catholic must read and every Christian should read.

David Currie was raised in a devout Christian family

whose father was a fundamentalist preacher and both parents teachers at Moody Bible Institute. Currie's whole upbringing was immersed in the life of fundamentalist Protestantism - theology professors, seminary presidents and founders of evangelical mission agencies were frequent guests at his family dinner table. Currie received a degree from Trinity International University and studied in the Masters of Divinity program. This book was written as an explanation to his fundamentalist and evangelical friends and family about why he became a Roman

Catholic. Currie presents a very lucid, systematic and intelligible account of the reasons for his conversion to the ancient Church that Christ founded. He gives a detailed discussion of the important theological and doctrinal beliefs Catholic and evangelicals hold in common, as well as the key doctrines that separate us, particularly the Eucharist, the Pope, and Mary.

The Case for Catholicism Our Sunday Visitor Using Sacred Scripture and the writings of the Church Fathers, Father Mateo

shows the justification for Catholic beliefs about Mary. He points out the errors of logic and fact committed by many anti-Catholics as they mount attacks on the Blessed Mother. Remarkably concise, this work powerfully explains how to defend Marian doctrine. The Fathers Know Best Behold Your Mother In this collection of inspiring reflections, ten esteemed priests share the role that the Blessed Mother has played in their personal spiritual lives, seeking to renew Marian devotions for both younger clergy and those with years of

priestly life. Each priest offers theological reflections and pastoral insights deeply rooted in his own devotion to Mary.

The Porch and the Cross Harvard University Press Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The "sea of glass." The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about

the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's *Coming Soon* explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical

implications for today and points to a firm hope in tomorrow. *Coming Soon* is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version: Catholic Edition of the Bible. Barber provides a Catholic interpretation, which sees the liturgical background of this book of Scripture—a perspective missing in many Protestant commentaries. *Youcat English* Crossway
The last dogma defined by the Church is the Assumption of the Blessed Virgin Mary into heavenly glory. This dogma is

the gateway to answer one of the greatest problems that has ever faced the human race. What is the meaning of life? Is death the end of everything? Mary's Assumption tells us that eternal life with God is the final evolution of every man and woman who dies in the friendship of God. At the end of time all will be taken up and transformed, the body and the soul, the corporeal and the spiritual. For all that God created is sacred and loved. Where Mary is, all the elect will be. Whoever contemplates this mystery learns much about God, Christ, Mary, the Church and oneself. The Virgin Mary is one who walked in the darkness of faith and never despaired, one who obeyed and never

deserted, one who loved and was never unfaithful. She is an example of the perfect disciple. Mary was Jesus' first and the most perfect disciple of Christ. The Virgin Mary, taken up into heaven after her earthly life, remains for us the symbol of all that we should be, and of all that we will be, if only we are faithful to Christ. She is the woman in the life of Christ and the woman in the life of all who follow him. On earth Mary was the mother of Jesus and his wholehearted companion, his comfort and joy. Now in heaven close to Jesus, she watches over us with a mother's care and intercedes for us. She is our life, our sweetness and our hope. She is our shining example.

Where she is, we shall be. God knows we need the woman clothed in glory. The purpose of this book is to contemplate the Virgin Mary in her heavenly glory. The book's reflections go beyond the mystery of the Assumption in itself to contemplate the Mother of God in glory in relation to Christ and the Church. For Mary in glory is close to Christ and the people of God. We hope to penetrate more deeply this twofold mystery. To facilitate this task, the book is divided the study into two parts: The Assumption in the Mystery of Christ, and the Assumption in the Mystery of the Church. The first part follows the model of Chapter eight of the Constitution on the Church of the Second

Vatican Council. There as here, Mary is considered first in the mystery of Christ and then in the mystery of the Church. The first part is actually a commentary on the Apostolic Constitution *Munificentissimus Deus* that defined the dogma of the Assumption. It is here we perceive that the Assumption is not an isolated privilege granted to Mary, but one that is intimately joined with the person and mission of Christ. Her triumphal entrance into glory is part of Christ's victory over sin and death. The second part goes beyond the Constitution and ponders the Immaculate Virgin in heaven in relation to the mystery of the Church. The first consideration is Mary

in heaven as the model,
image and beginning
of the pilgrim Church.
This is followed by her
relation to the suffering
and heavenly Church.
The final chapter
ponders the texts of the
liturgical feast of the
Assumption. It is in the
liturgy of the feast that
we experience God's
love for the human
family; Mary's
inseparable union with
Christ her Son and
Savior, and the joy that
we are called to
experience once our
pilgrimage of faith is
over. For, taken up to
heaven we join Mary in
the communion of
saints in union with
Christ our Lord.
