"Art of Mentoring" series
In the book that he was born to write, provocateur and best-selling author Christopher Hitchens inspires future generations of radicals, gadflies, mavericks, rebels, angry young (wo)men, and dissidents. Who better to speak to that person who finds him or herself in a contrarian position than Hitchens, who has made a career of disagreeing in profound and entertaining ways. This book explores the entire range of "contrary positions"-from noble dissident to gratuitous pain in the butt. In an age of overly polite debate bending over backward to reach a happy consensus within an increasingly centrist political dialogue, Hitchens pointedly pitches himself in contrast. He bemoans the loss of the skills of dialectical thinking evident in contemporary society. He understands the importance of disagreement-to personal integrity, to informed discussion, to true progress-heck, to

democracy itself. Epigrammatic, spunky, witty, in your face, timeless and timely, this book is everything you would expect from a mentoring contrarian.

The writings of the Apostolic Fathers give a rich and diverse picture of Christian life and thought in the period immediately after New Testament times. Some of them were accorded almost Scriptural authority in the early Church. This new Loeb edition of these essential texts reflects current idiom and the latest scholarship. Here are the Letters of Ignatius, bishop of Antioch, among the most famous documents of early Christianity; these letters, addressing core theological questions, were written to a half dozen different congregations while Ignatius was en route to Rome as a prisoner, condemned to die in the wild-beast arena. Also in this collection is a letter to the Philippian church by Polycarp, bishop of Smyrna and friend of Ignatius, as well as an account of Polycarp's martyrdom. There are several kinds of texts in the Apostolic Fathers collection, representing different religious outlooks. The manual called the Didache sets forth precepts for religious instruction, worship, and ministry. The Epistle of Barnabas searches the Old Testament,

the Jewish Bible, for testimony in support of Christianity and against Judaism. Probably the most widely read in the early Christian centuries was *The Shepherd of Hermas*, a book of revelations that develops a doctrine of repentance.

Lesser Feasts and Fasts has not been updated since 2006. This new edition, adopted at the 79th General Convention (resolution A065), fills that need.

Biographies and collects associated with those included within the volume have been updated; a deliberate effort has been made to more closely balance the men and women represented within its pages.

Central to God's character is the quality of holiness. Yet, even so, most people are hard-pressed to define what God's holiness precisely is. Many preachers today avoid the topic altogether because people today don't quite know what to do with words like "awe" or "fear." R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as God is holy. Once you encounter the holiness of God, your life will never be the same.

If you could sit down with St. Thomas Aquinas over a pint of beer and ask him any one question, what would it be? *Pints With Aquinas* contains over 50 deep thoughts from the Angelic doctor on subjects such as God, virtue, the sacraments, happiness, alcohol, and more.

If you've always wanted to read St. Thomas but have been too intimidated to try, this book is for you. So, get your geek on, pull up a bar stool and grab a cold one, here we go!" "He alone enlightened the Church more than all other doctors; a man can derive more profit in a year from his books than from pondering all his life the teaching of others." - Pope John XXII

Birth of a Reformation Catholic Answers
The Second Vatican Council says, "We ought to try to discover a new reverence for the Eucharistic mystery. Something is happening that is greater than anything we can do. The liturgy is the summit toward which the activity of the Church is directed; it is the font from which all her power flows." This profound statement about the Eucharist stands at the center of this book by Cardinal Ratzinger. He compellingly shows us the biblical, historical, and theological dimensions of the Eucharist.

The Cardinal draws far-reaching conclusions, focusing on the importance of one's personal devotion to and adoration of the Blessed Sacrament, for the personal reception of Communion by the individual Christian, as well as for the life of the Church. For Ratzinger, any transformation of the world on the social plane grows out of the celebration of the Eucharist. He beautifully illustrates how the omnipotent God comes intimately close to us in the Holy Eucharist, the Heart of Life.

Is there a book of the Bible more often discussed and yet less understood than the Book of Revelation? The "seven seals." The "dragon." The "beast." The "sea of glass." The fantastic imagery found in the Book of Revelation has long captivated Christians but remains mysterious to many. In the midst of so much discussion about the end times, what does Revelation teach us about living in the present moment, with our eyes focused on the heavenly Jerusalem? Michael Barber's *Coming Soon* explores these questions by taking a detailed look at Revelation and its rich tapestry of prophecy, history, and biblical allusion. Barber explores the profound link between the Mass celebrated here on earth and the eternal reality of heaven, demonstrating that the Apocalypse reveals truth that has practical implications for today and points to a firm hope in tomorrow. *Coming Soon* is a verse-by-verse commentary on the Book of Revelation using the Revised Standard Version: Catholic Edition of the Bible. Barber provides a Catholic interpretation, which sees the liturgical background of this book of Scripture—a perspective missing in many Protestant commentaries.

The question "Who am I?" is on the minds and hearts of people of all ages. And for good reason: The answer is important! Who we are - or who we think we are - drives our actions and shapes our relationships. While we are asking the right questions about identity, the world is busy feeding us the wrong answers: We are our political party, job title, sexual orientation, race, ethnicity - and the list goes on. But until we know why we were created, by whom, and for what purpose, we can never be truly satisfied. In *Who Am I, Lord?*, author and speaker Joe Heschmeyer tackles the question of identity by asking two even more important

questions: Who is Jesus? Who does he say you are? Only when we understand who Christ really is can he show us who we are. Our identity in Christ opens us to the promises he has made us and leads us to the freedom to be who we were created to be. Who Am I, Lord? will answer the question of your identity in a way that will transform your life. Click here to register for the related webcast ABOUT THE AUTHOR

David Currie was raised in a devout Christian family whose father was a fundamentalist preacher and both parents teachers at Moody Bible Institute. Currie's whole upbringing was immersed in the life of fundamentalist Protestantism - theology professors, seminary presidents and founders of evangelical mission agencies were frequent guests at his family dinner table. Currie received a degree from Trinity International University and studied in the Masters of Divinity program. This book was written as an explanation to his fundamentalist and evangelical friends and

family about why he became a Roman Catholic. Currie presents a very lucid, systematic and intelligible account of the reasons for his conversion to the ancient Church that Christ founded. He gives a detailed discussion of the important theological and doctrinal beliefs Catholic and evangelicals hold in common, as well as the key doctrines that separate us, particularly the Eucharist, the Pope, and Mary.

Some books hope to persuade the reader by reasoned arguments that might stand up to scrutiny. Conversely, this work simply reveals the meaning of Scripture to its lover and provides every Christian with a straightforward and irrefutable key to understand Mary's role and dignity in salvation history according to the Evangelists in their Gospels. After seeing the evidence organized in an easy-to-read way, arcane arguments, long dividing Christians, simply become irrelevant as the reader experiences the Scriptures revealing themselves in their fullness. Who are Jesus's brothers and sisters? Who are his family members who opposed his ministry? Does Scripture teach Mary's perpetual virginity? What is Joseph's family tree? Why do Jesus and Mary sometimes appear to be at odds in the New Testament? Each and every question does not require a torturously reasoned argument to some purportedly probable conclusion. Rather, each question is plainly answered by reading the Scriptures through their own dependence on prior Scripture as key to their meaning and interpretation.

Using Sacred Scripture and the writings of the Church Fathers, Father Mateo shows the justification for Catholic beliefs about Mary. He points out the errors of logic and fact committed by many anti-Catholics as they mount attacks on the Blessed Mother. Remarkably concise, this work powerfully explains how to defend Marian doctrine.

Who Am I, Lord? Finding Your Identity in Christ

Essential reading for all Catholics! Bestselling author, Scott Hahn illuminates a fresh and enlightening perspective on Mary, Mother of God, and her central importance in the Christian faith. In *The Lamb's Supper*, Hahn explored the relationship between the Book of Revelation and the Roman Catholic Mass, deftly clarifying the most subtle of theological points with analogies and anecdotes from everyday life. In *Hail, Holy Queen*, he employs the same accessible, entertaining style to demonstrate Mary's essential role in Christianity's redemptive message. Most Christians know that the life of Jesus is foreshadowed throughout the Old Testament. Through a close examination of the Bible, as well as the work of both Catholic and Protestant scholars and clergy, Hahn brings to light the small but significant details showing that just as Jesus is the "New Adam," so Mary is the "New Eve." He unveils the Marian mystery at the heart of the Book of Revelation and reveals how it is foretold in the very first pages of the Book of Genesis and in the story of King David's monarchy, which speaks of a privileged place for the mother of the king. Building on these scriptural and historical foundations, Hahn presents a new look at the Marian doctrines: Her Immaculate Conception, Perpetual Virginity, Assumption, and Coronation. As he guides modern-day readers through passages filled with mysteries and poetry, Hahn helps them rediscover the ancient art and science of reading the Scriptures and gain a more profound understanding of their truthfulness and relevance to faith and the practice of religion in the contemporary world.

The Definitive Guide for Solving Biblical Questions About Mary Catholic Answers
Regardless of their sometimes ambiguous concepts of God, the Roman Stoic philosophers

did acknowledge Him, but on the basis of reason alone, because they had not met Christ.

Nonetheless, they did deduce from God's existence our need to live lives of virtue, honor, tranquility, and self-control--and they developed effective techniques to help us achieve this. Musonius Rufus the teacher, Epictetus the slave, Seneca the adviser to emperors, and Marcus Aurelius, the emperor himself, produced a practical technology we can use to integrate Christian ethics into our own daily practice. As Kevin Vost so wonderfully illustrates in his new book, *The Porch and the Cross*, the Stoics can help us learn--and remember--what is up to us, and what is up to God alone.

This book is especially relevant as the 500th anniversary of the Protestant Reformation draws near and discussion of the arguments made against the Church during that time in history receive renewed interest. *The Case for Catholicism* answers arguments put forward by early Reformers like Luther and Calvin as well as contemporary defenders of Protestantism like Norm Geisler and R.C. Sproul. It provides a meticulous defense of the biblical and historical nature of Catholic doctrines from Scripture and church history. This book is divided into four sections, with each answering a key question Christians have

asked about the nature of their faith. Those key questions are: What is my authority? What is the Church? How am I saved? Who belongs to the body of Christ?
