A brave mouse, a covetous rat, a wishful serving girl, and a princess named Pea come together in Kate DiCamillo's Newbery Medal – winning tale. Welcome to the story of Despereaux Tilling, a mouse who is in love with music, stories, and a princess named Pea. what it means to be a man. The Daddy Gap ReadHowYouWant.com This fast-paced action novel is set in a future world where the world has been almost destroyed. Like the award-winning novel Freak the Mighty, this is Philbrick at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight

to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion,

Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world.

of love, new friendships, and one unique food truck. Clara Shin lives for pranks and disruption. When she takes one joke too far, her dad sentences her to a summer working on his food truck, the KoBra, alongside her uptight classmate Rose Carver. Not the carefree summer Clara had imagined. But maybe Rose isn't so bad. Maybe the boy named Hamlet (yes, Hamlet) crushing on her is pretty cute. Maybe Clara actually feels invested in her

dad's business. What if taking this summer seriously means that Clara has to leave her old self behind? With Maurene Goo's signature warmth and humor, *The Way You Make Me Feel* is a relatable story of falling in love and finding yourself in the places you'd never thought to look. The Book of Unknown Americans Houghton Mifflin Harcourt Insightful and heart-warming, this classic book

is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God." *Why a Son Needs a Dad* Simon and Schuster
THE STORY OF FATHERHOOD AND WHAT IT MEANS TO BE A FATHER TODAY, BASED ON A DECADE-LONG STUDY OF NEW AND

EXPECTANT FATHERS. Becoming a father is one of most common but also one of the most profoundly life-altering experiences a man can have. It is up there with puberty, falling in love and experiencing your first loss. Fifty years ago a father's role was assumed to be clear: he went to

work; he provided the pay cheque; and he acted as a disciplinarian when he got home. But today a father's role is much more fluid and complex. Dr Anna Machin has spent the past decade working with new and expectant fathers, studying the experiences of fathers and the questions fathers have: 'Will fatherhood
