Belkin Official Support - F5U103vea User Guide

This number might be different on other switches or network equipment, and if you don't have the manual by hand and can't

find it on google, you can always just try the different settings (Choosing the wrong one, won't damage the equipment) My Belkin F5U103V got the com port number 8 (com8), and that is what I am going to connect to in putty.
