Now Spencer will never know if the chemistry he had with her was real. All he can do is find her killer. Spencer is pulled into the strange, complex web of the surviving friends. Many important questions about Kristina's murder cannot be answered, such as: why did none of them report her missing for nine days before her body was discovered? The more Spencer digs, the more clear it becomes that each of the three has a motive for killing Kristina. And as Spencer, seeking justice for a dead girl, is led down a labyrinth of deceit, every new revelation proves more shocking than the last...and more dangerous.

From the author of the celebrated, internationally bestselling *BRONZE HORSEMAN* saga comes a glimpse into the private life of its much loved creator, and the real story behind the epic novels. Paullina Simons gives us a work of non-fiction as captivating and heart-wrenching as the lives of *Tatiana and Alexander*. Only a few chapters into writing her first story set in Russia, her mother country, Paullina Simons travelled to Leningrad (now St Petersburg) with her beloved Papa. What began as a research trip turned into six days that forever changed her life, the course of her family, and the novel that became *THE BRONZE HORSEMAN*. After a quarter-century

away from her native land, Paullina and her father found a world trapped in yesteryear, with crumbling stucco buildings, entire families living in seven - square - metre communal apartments, and barren fields bombed so badly that nothing would grow there even fifty years later. And yet there were the spectacular white nights, the warm hospitality of family friends and, of course, the pelmeni and caviar. At times poignant, at times inspiring and funny, this is both a fascinating glimpse into the inspiration behind the epic saga, and a touching story of a family's history, a father and a daughter, and the fate of a nation.
