[BERKLEE JAZZ GUITAR CHORD DICTIONARY - Kindle edition by ...](#)  
 Guitar Chords 101 presents Berklee's approach to the construction of chords, a method that focuses less on the shape of an individual chord, and more on the notes that the chord is based around. Students will learn to construct and play triads and basic 7th chords, as well as look at inversions and different chord voicings -- the basic foundations guitarists use to write or perform in any number of different styles.
