Kreuzberg, Mitte, Charlottenburg and Tiergarten.

This Library contains the most-visited places, as well as quiet streets and backyards. Most of these recordings were made during the spring of 2016.

Volume 2 - City of Smoke - follows the story of Marthe, but she is less of a protagonist than in volume 1; instead, the American jazz band takes center stage, as well as the heart-breaking story of Silvia, one of the children of Gudrun, who leads a street life once her mother is killed in a May Day demonstration, and her fascistic father. Both Berlin volumes are great - panoramic historical graphic novels of Weimar Berlin, and the deterioration of life just as the Nazis were about to take over.
