Federico è in quinta elementare, e sente che ormai sta crescendo e presto non sarà più un bambino. La sua vita scorre tranquilla, tra la scuola e gli allenamenti di calcio. Ma una mattina d'inizio anno scolastico la sua routine fatta di piccole gioie quotidiane viene interrotta dall'arrivo di un nuovo compagno di classe. Dragos, questo il suo nome, ha i capelli rossi, meravigliosi braccialetti colorati ed è un insuperabile portiere. Di colpo Federico non si sente più al centro dell'attenzione: gli amici di scuola, la maestra, perfino l'allenatore di calcio sembrano avere occhi solo per il nuovo arrivato. Ed ecco che accanto a Federico compare un pitone, che comincia a sibilarli nelle orecchie strategie sempre più elaborate per mettere fuori gioco il rivale. Forse i consigli del pitone non sono sempre molto corretti, ma sembrano così convincenti? Per fortuna Federico ha un nonno speciale, che dopo una vita dedicata a costruire navi in bottiglia, ha sviluppato una particolare sensibilità per i pitoni e per i sentimenti che li generano.

Manuale di alfabetizzazione emotiva. Una proposta per allenare il cuore Salani

New York, 1929. Una bambina si aggira fra gli scaffali di un grande e famoso emporio, pieno di ogni sorta di merci; non ha nome né età, il suo viso è allo stesso tempo bellissimo e terrificante. Si infila una baguette sotto il cappotto, ma viene fermata da un guardiano. Nel giro di pochi istanti si trova al cospetto del signor Rosenberg, il proprietario del lussuoso emporio. Da qui tutto ha inizio. La vita di Rosenberg, scandita dalle speculazioni in Borsa e dalle visite al suo esclusivo club, sarà sconvolta. Tutto per colpa della bambina e di un suo misterioso compare, un venditore di lamette e di stilografiche che difende i poveri come lui e dichiara guerra a Rosenberg e ai suoi empori. Ma Rosenberg non è tipo da farsi mettere nel sacco da un poveraccio e da una ragazzina senza nome, mostruosa e incantevole allo stesso tempo. Mentre la grande crisi sconvolge New York e l'America, fra i due uomini inizia una guerra senza quartiere. Una sola cosa è sicura: alla fine ci sarà un solo vincitore e niente sarà più come prima. Basta sprecare il tempo prendendosi con i dipendenti negligenti e con i poveri, solo perché esistono. È il momento di agire, prima che la crisi trascini via tutto e sia troppo tardi. Un grande romanzo per ragazzi dagli echi dickensiani. Un intreccio solido, serrato e avvincente, ambientato nell'America degli anni Venti. Una storia che fa riflettere e offre una nuova chiave interpretativa della crisi e del nostro tempo.

"Set in a small town in Tuscany after September 8, 1943, the protagonist is the son of a Nazi-Fascist hierarch. He is 12 years old and he understands his position of inferiority: adults are engaged in "important" activities while he cannot be assigned any responsibility. Bernardo finds himself in a position to make a decisive and secret decision. From an American aircraft, hit by anti-aircraft, a black leather aviator descends with a parachute. Wounded, he's entangled in the branches of a tree and Bernardo will hide him. He will heal him and then he will triumphantly take him to the village as a prisoner. He too will therefore become as important as adults. The events will take place differently than expected ..."--Liberweb.it

The Reception of the Homeric Hymns is a collection of original essays exploring the reception of the Homeric Hymns and other early hexameter poems in the literature and scholarship of the first century BC and beyond. Although much work has been done on the Hymns over the past few decades, and despite their importance within the Western literary tradition, their influence on authors after the fourth century BC has so far received relatively little attention and there remains much to explore, particularly in the area of their reception in later Greco-Roman literature and art. This volume aims to address this gap in scholarship by discussing a variety of Latin and Greek texts and authors across the late Hellenistic, Imperial, and Late Antique periods, including studies of major Latin authors, such as Virgil, Horace, and Ovid, and Byzantine authors writing in classicizing verse. While much of the book deals with classical reception of the Hymns, including looking beyond the textual realm to their influence on art, the editors and contributors have extended its scope to include discussion of Italian literature of the fifteenth century, German scholarship of the nineteenth century, and the English Romantic poets, demonstrating the enduring legacy of the Homeric Hymns in the literary world.

Erich Auerbach's Dante: Poet of the Secular World is an inspiring introduction to one of world's greatest poets as well as a brilliantly argued and still provocative essay in the history of ideas. Here Auerbach, thought by many to be the greatest of twentieth-century scholar-critics, makes the seemingly paradoxical claim that it is in the poetry of Dante, supreme among religious poets, and above all in the stanzas of his Divine Comedy, that the secular world of the modern novel first took imaginative form. Auerbach's study of Dante, a precursor and necessary complement to Mimesis, his magisterial overview of realism in Western literature, illuminates both the overall structure and the individual detail of Dante's work, showing it to be an extraordinary synthesis of the sensuous and the conceptual, the particular and the universal, that redefined notions of human character and fate and opened the way into modernity. Ciro è un ragazzino di tredici anni, tanti quanti ne sono trascorsi dal passaggio del fronte in Toscana. Ciro ha gli occhi chiari, i capelli biondi, il volto cosparso di efelidi e non ha un padre. È figlio di un soldato americano e della guerra, è figlio dell'entusiasmo e della Liberazione. Sullo sfondo di un rigoglioso paesaggio toscano, Ciro, malvisto da tutti e per lo più solo, vive come un selvaggio in un mondo magico e rurale aspettando un padre che non torna mai; parlando con un gemello che ricorda appena e che immagina vivere accanto a sé; subendo umiliazioni dalla gente del paese che ordina ai figli di tenersi alla larga da lui. Colmo di risentimento fa dispetti, compie atti vandalici, filosofo, sogna tesori e vendette avendo come sua unica arma una straordinaria immaginazione. Ma è solo l'inizio: presto, prima che Ciro se ne renda conto, un giovane zingaro con un segreto nel cuore incrocerà la sua strada, guarderà nei suoi occhi azzurri e capirà tutto. Ciro invece scoprirà un popolo e una storia che nessuno conosce finendo per vivere un'avventura senza precedenti che cambierà per sempre la sua vita e il suo modo di vedere il mondo. Un'avventura rocambolesca e mozzafiato che affronta con coraggio e garbo argomenti universali come la guerra, l'accettazione della perdita e la scoperta del diverso.

Pennacchietti draw brilliantly and with precision the evolution of the new architecture and of the national novel (with insights on translations of international novels), whose profiles had been shaped from different angles, especially in the 1930s. These two fields, apparently so

distant one from the other, had never been analysed in parallel. This book does this and uncovers several points of contact between the two, spanning propaganda and theoretical turning points." —Chiara Costa and Cornelia Mattiacci, Fondazione Prada, Italy "This book shows convincingly how the arte di Stato during Fascism was created with the morality of a new novel as well as architecture. It is surprising to read how one of the representatives of State art, Giuseppe Bottai, is also one of the finest critics of realist novels and rationalist architecture. More than parallel endeavours, the system of the arts during the Fascist regime should be viewed as a series of intersections of cultural, political and aesthetic discourses." —Monica Jansen, Utrecht University, The Netherlands Architecture and the Novel under the Italian Fascist Regime discusses the relationship between the novel and architecture during the Fascist period in Italy (1922-1943). By looking at two profoundly diverse aesthetic phenomena within the context of the creation of a Fascist State art, Billiani and Pennacchietti argue that an effort of construction, or reconstruction, was the main driving force behind both projects: the advocated "revolution" of the novel form (realism) and that of architecture (rationalism). The book is divided into seven chapters, which in turn analyze the interconnections between the novel and architecture in theory and in practice. The first six chapters cover debates on State art, on the novel and on architecture, as well as their historical development and their unfolding in key journals of the period. The last chapter offers a detailed analysis of some important novels and buildings, which have in practice realized some of the key principles articulated in the theoretical disputes. Francesca Billiani is Senior Lecturer in Italian Studies and Director of the Centre for Interdisciplinary Research in the Arts and Languages at the University of Manchester, UK. Laura Pennacchietti is Research Associate in Italian Studies at the University of Manchester, UK.

L'Amadigi del s. Bernardo Tasso. A l'inuitissimo, e catolico re Filippo Springer Nature

Roma, anni Ottanta. Alice si è appena trasferita con la sua famiglia e stringe amicizia con Emeka, un bambino di origine nigeriana, e Norbert, il vicino di casa, sopravvissuto ad Auschwitz. Riccardo, invece, il fratello di Alice, entra in un gruppo di ultras naziskin violenti e razzisti, e finisce per mettersi nei guai... Il desiderio di aiutare Riccardo dà il via a un'avventura pericolosa e ricca di colpi di scena, in un vera e propria lotta contro il tempo nelle periferie della città. E, sopra tutta la vicenda, una domanda bruciante pesa come un macigno: negare alcuni tragici aspetti della Storia non equivale a cancellarli dalle nostre coscienze e permettere che si ripetano più vicino a noi di quanto crediamo? Un appassionante romanzo sull'amicizia, sul coraggio e sul valore del ricordo: perché la Storia è Memoria, e la Memoria è libertà, e vita.
